Passport Held

UK passport held - 82.1% (443,300)
No passport held - 14.6% (78,900)

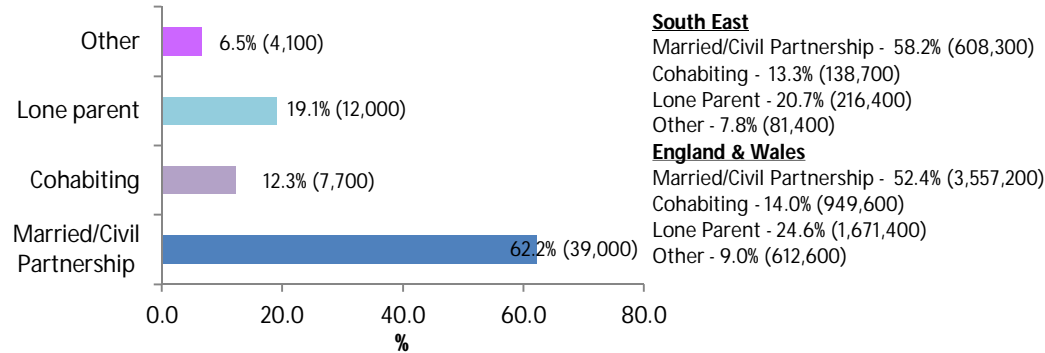

82.1% of people in this area have a UK passport whilst 14.6% state they have no passport. 1.6% of individuals hold a passport which is from Europe. 0.7% of the population had a Middle East and Asia passport issued to them.

Marital Status

53.8% of the CCG's adult population are married compared with 49.3% of the South East's and 46.6% of the national population. Conversely fewer are single (27.0%) when compared to either the South East (31.9%) or Nationally (34.6%) as a whole. Following the Civil Partnership Act of 2004, civil partnerships are now included and account for 0.2%.

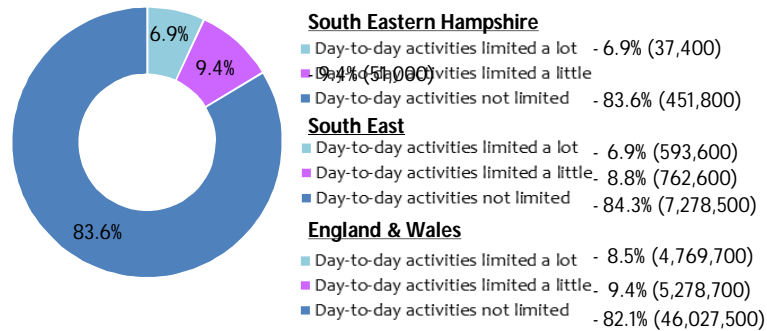

Households with Dependent Children

In this area 62,800 households have dependent children. Of these, 62.2% are married/civil partnership households a higher proportion than either the South East (58.2%) or Nationally (52.4%). Conversely the CCG has fewer lone parent households at 19.1% of all households with dependent children, compared to the country as a whole (24.6%), but similar to the levels across the South East as a whole (20.7%).

Disability

In this area, 83.6% of the population state that their daily activities are 'not limited' by a long term illness or disability, whilst 9.4% are 'limited a little' and 6.9% are limited a lot³. The proportion of the population who are 'limited a lot' is on a par with the South East but lower than levels seen nationally.

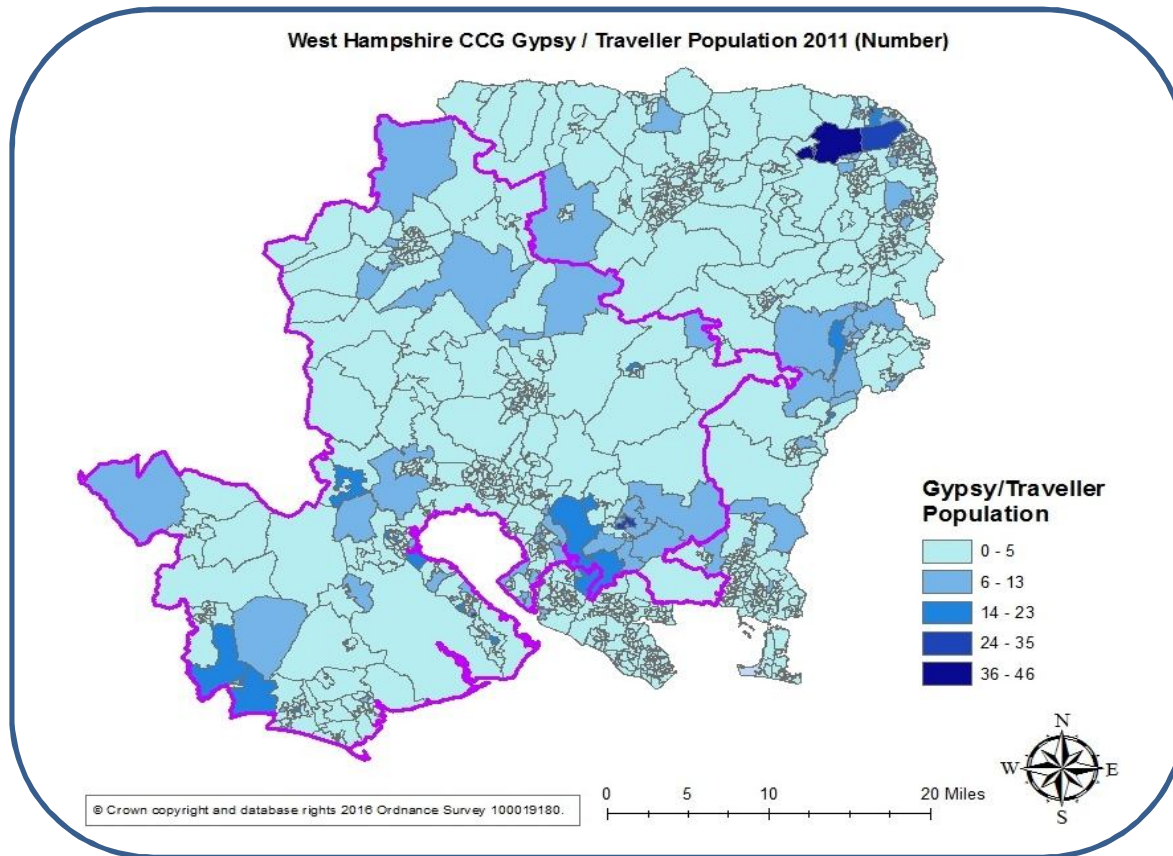

General Health

Self defined general health in this area is similar to that seen across the South East as a whole and a little better than the National picture. The vast majority report either good or very good health such that 83.7% of the CCG report their health as such, which is in line with the South East (83.6%) and a little higher than Nationally (81.2%).⁴

Gypsy / Traveller Population

The data collected by the 2011 Census estimates that across Hampshire there are 2,100 individuals who state having a Gypsy/Irish Traveller ethnicity.

According to this data West Hampshire CCG (the area highlighted in pink on the map) is estimated to be home to 1,000

Notes: 1 - White British includes those describing their ethnicity as English, Welsh, Scottish, Northern Irish or British. 2 - Marital and Civil Partnership status refers to the population aged 16 and over. 3 - A long term health problem or disability is one that limits a person's day-to-day activities and has lasted, or is expected to last at least 12 months, including problems related to old age. 4 - General health is a self-assessment of a person's general state of health. People were asked whether their health was very good, good, fair, bad or very bad. This is not based on a person's health over any specified period of time. 5 - Language data refers to the population aged over 3 years. Data for some Protected Characteristics - gender reassignment, sexual orientation, pregnancy and maternity are not included in the 2011 Census. Hampshire in this factsheet refers to the combined administrative region of Hampshire County, Portsmouth and Southampton Source: Data used is from the Office for National Statistics (ONS) 2011 Census For more information please contact Hampshire County Council's Demography team.
