## Tender berth Terms & Conditions

Please complete the application form & sign the declaration.

### TENDER TERMS & CONDITIONS

I can confirm that; (indicate with  cross in box)

1. My Tender **does not exceed** 4 Metres in length overall
2. Any **engine** for use on the tender **will not exceed 10HP**
3. My engine will be secured with a security lock / stop assembly (which will include any fuel containers left in situ) when left unattended. \* A spare key to be left with the Harbour Office.
4. Should I choose to secure the tender to the pontoon horse rail with a security stop this will be at least as long as the tender in length. \* A spare key to be left with the Harbour Office.
5. I am a current mooring holder and my contact details registered at the Harbour Office are up to date (Please ensure your Owners Reference is entered on the form)
6. Harbour Dues for the Mother ship have been paid and my 2018 harbour Dues sticker is correctly displayed on the vessel.
7. I have a suitable painter line attached which is at least as long as the tender (NOTE tenders must be secured to the horse-rail on the jetty in the allocated area only)
8. My tender has adequate & suitable fenders to prevent damage to/from other vessels.
9. I will ensure my tender is frequently inspected whilst left on the tender jetty & will be kept reasonably free of water. (Tenders without automatic bilge devices may require frequent bailing following heavy periods of rain or inclement weather).
10. I will report any damage or theft concerning my tender to the Harbour Office and the police where an allegation of crime is apparent. (Instances of Theft or Criminal damage can be completed easily through an on-line <https://www.facewatch-platform.co.uk/olcr-portal/>)

### BALLOT TERMS & CONDITIONS

I confirm & understand that;

- A. My Tender berth allocation is **not transferrable** & that I will not be permitted to allow another person to use my tender berth for the benefit of another vessel.
- B. Should I reasonable fail to confirm to the above conditions, my tender will be removed by the Harbour Authority by order of the Harbour Master.
- C. Failure to use my tender or the allocated tender berth for any period in **excess of two (2) months** may result in my being required to remove my tender in order that the space may be re-allocated.
- D. The Harbour Authority accepts no liability for tenders left on tender berths.
