

**RIVER HAMBLE HARBOUR AUTHORITY MOORINGS WAITING LIST
RULES FOR APPLICANTS/MEMBERS**

1. The registration fee for reinstatement will be £30.00.
2. Members must re-confirm their intention to remain on the waiting list during the period between **1st and 31st October each year**, in order for allocations of surrendered moorings to be made in good time for the New Year. A renewal form will be sent to applicants each September. **NOTE: If an applicant fails to renew the application by the end of December in any year they will be removed from the waiting list. NO REMINDERS WILL BE ISSUED.**

TERMS OF ACCEPTANCE - APPLICANTS & RENEWALS

- Each year the applicant is asked to state whether they would accept a mooring if offered before 31st March in that year. When offered a mooring by the Harbour Master an applicant will only be able to refuse the allocation if it is an inappropriate type of mooring. Having stated that they were prepared to accept a mooring in that year then should an applicant refuse two offers for any other reason than the above, then the Harbour Master reserves the right to remove the applicant from the waiting list.
- Applicants/Members do not have to be Hampshire residents.
- It is not necessary for an applicant/member to own a boat when applying for the waiting list, however, in the case of partnerships, moorings will only be allocated to waiting list applicants/members who can demonstrate that they have a substantial (50% or greater) shareholding in the vessel.
- The minimum age of an applicant /member will be 16.
