

Blue Badge Privacy Notice

The Hampshire County Council Blue Badge Service collects information about you as part of the application process.

The County Council will use your personal information to;

1. Process your application
2. Manage any Blue Badge misuse or fraud enforcement history
3. Analyse the use of the Blue Badge service

The legal basis for our use of this information is a legal obligation under The Disabled Persons (Badges for Motor Vehicles) (England) Regulations 2000, and also that processing is required for reasons of substantial public interest. Analysis of Blue Badge data is conducted by Adults' Health and Care in order to produce statistics required under the Health and Social Care Act 2012.

Your information will be collected by the County Council, and uploaded to the Blue Badge Improvement Service (BBIS), a national database owned by Northgate Public Services. BBIS is commissioned by the Department for Transport.

We are obliged to share your information with other local authorities, the government, the police and parking enforcement officers for the detection or prevention of fraud. United Kingdom enforcement authorities will have access to all Blue Badge records via BBIS where only the necessary information will be made available for the detection or prevention of fraud.

We will keep your personal information for three years from the end of the financial year in which you made your request.

You have some legal rights in respect of the personal information we collect from you. Please see our website [Data Protection](#) page for further details.

You can contact the County Council's Data Protection Officer at data.protection@hants.gov.uk

If you have a concern about the way we are collecting or using your personal data, you should raise your concern with us in the first instance or directly to the Information Commissioner's Office at <https://ico.org.uk/concerns/>
