In house training

In house training or support for as little as **£15** per person for a half day session or **£30** for a full day, if you share the cost with others in your area. We will come to your setting and deliver a twilight, 2hr session with a follow up hour, or a full day at an in house training session - lots of options.

[Professional Options service](#)

Whether you need input on a specific EYFS area or Makaton training we can provide this for you.

Coming soon;

- Early Talk Boost
- Talk Boost KS 1
- Elkan Training

You can now purchase this training as an in house option; access will be available via the new Speech and Language tile on Hants web shop.

E-learning licences now available - [Take a look!](#)

SfYC Moodle – an on line learning platform which gives you access to resources/webinars/presentation slides etc., is evolving, more information to follow.

If you are interested in accessing these resources please email SFYCMoodle@hants.gov.uk

If you have any questions or would like a course developed for your setting/group let me know.
