

## Services for Young Children

Calling all Havant district childcare settings!

Looking to recruit staff, apprentices or would welcome volunteers?

An opportunity has become available to speak to Havant Job Centre clients directly about working in the early years education and childcare sector.

If you are a Havant district based setting that has vacancies for staff, apprenticeships or requires volunteers, then let us know, so that we can promote these through the Job Centre, **free of charge**.

Get in touch **before the 7 November** with any details using the job vacancy template form (which can be amended for volunteers) and send to [childcare@hants.gov.uk](mailto:childcare@hants.gov.uk).

All providers are reminded that they can also advertise their vacancies free of charge using the Government's [Find A Job](#) site.

The link to this site is advertised on the SfYC main recruitment page:

Please take advantage of this opportunity to help your recruitment needs.
