

Services for Young Children

Moodle On line Learning Platform

The SfYC Moodle site is now available

This is an online learning platform which gives you access to resources, webinars, presentation slides and guidance documents etc. The sections below have been developed to support Ofsted registered early years settings and childminders in Hampshire. The site is designed to be accessible for new and existing early year's staff and works on a variety of platforms from smart phones to desktop computers.

So far the following sections are available to view:

- Provider Briefings webinar recordings
- Lead practitioner for safeguarding information/webinar
- Recruitment tools
- YR Networks – invite only
- B23 Networks
- Professional Option Training – invite only

More sections are currently being developed.

You will be set up with a provider/school account so please share the user.name and password with your staff. We are currently in the process of uploading details from the recent network meetings, so if you do **not** want to access this resource please email SFYCMoodle@hants.gov.uk

If you were unable to attend the meetings and would like access please email SFYCMoodle@hants.gov.uk
