# Spring Lead Practitioner (Safeguarding) Support Group

This session offers an opportunity for your Lead Practitioner (Safeguarding) to meet your Inclusion Team Leader (ITL), to network with other Lead Practitioners (Safeguarding) and share good practice.

Although not a training course, it provides a good opportunity for you to discuss your questions or concerns regarding your roles and responsibilities for maintaining a safe, vigilant environment for children and staff and to help you to identify where you or your team will need to access appropriate safeguarding training. Lessons learned from recent OFSTED trends, serious case reviews and safeguarding incidents will be highlighted along with any important information about updates concerning safeguarding policies and procedures.

This event is open to all Lead Practitioners (Safeguarding) in early years education group settings and Early Years Education (EYE) childminders.

Booking is essential as places are limited.

# Spring Provider Briefing – live webinar delivery

In addition to face to face local provider briefings, we now offer online webinars option to complement our programme. Please note providers are required to attend one spring provider briefing only. The main content will be the same as offered at the face to face sessions but may not hold the same level of local district content.

Provider briefings contain essential updates for managers, directors and committee chairs. They are a way of sharing up-to-date information from the Department for Education (DfE), Ofsted and the local authority. Make sure you are not missing out on important information that will affect your setting.

**Booking is essential as webinar places are limited.**
