## Child Health Team

The Child Health Team includes Health Visitors and School Nurses. The Team aims to:

- Improve outcomes for children, young people and families at increased risk of poor health outcomes and identification of vulnerability.
- Support delivery of general education around health and well-being and supporting children with additional needs to access a full range of experiences and education.
- Strengthen the emotional and mental health/well-being of all children, young people and parents.
- Promote social inclusion through supporting engagement with local provision.
- Safeguard children and young people, to manage identified risks and provide timely and relevant health intervention.

Access: referrals from professionals only.

### **Young Carers Project – East Hants**

The project meets monthly and offers one-to-one support for young carers as needed, including family mediation. Young people acting as full-time carers also have the opportunity to go on trips and residentials to enable them to enjoy and benefit from social activities with their peers. The one-to-one sessions work to raise confidence and self esteem and helps the young people to develop strategies to support them in situations both at home and school. The service also provides them with the opportunity to gain support from each other who have an understanding of their experiences and family circumstances.

Access: self referral and referrals from professionals.

East Hants Youth Carers Project, The Kings Arms, The Courtyard Buildings, Heath Road, Petersfield, GU31 4DX

01730 231292

(CSI)

## Parent Partnership Service

The Parent Partnership Service provides impartial advice, information and support to parents/carers of children and young people with special educational needs (SEN) throughout Hampshire. The service is available to all families for whom special educational needs plays a part.

The Parent Partnership Service aims to ensure that parents/carers play an informed part in planning provision to meet their child's special educational needs. The services aims to build partnerships between parents/carers, the LEA and schools and also encourage parents/carers to be involved in the development of local SEN policy and practice.

The services provides information, advice and support to parents/carers at all stages of their child's school life (0 to 19 years), from pre-school early diagnosis through to leaving school. The Service offers:

- a confidential helpline
- general information on special educational needs
- help for parents/carers to express their views
- support through the statutory assessment process
- help to complete forms and to understand complex documents and reports
- home visits and support at meetings
- presentations to support groups
- special needs information days

Access: self referral and referrals from professionals.

[www.hants.gov.uk/parentpartnership](http://www.hants.gov.uk/parentpartnership)

## Parent Voice

Parent Voice is an information and participation service for parents and carers of disabled children in Hampshire. Parent Voice provides a single point of contact for the information and advice for children aged 0-19 and a real opportunity to develop and shape services in Hampshire.

Membership benefits of Parent Voice include:

- A weekly update of all events, activities, training and news across Hampshire. Access to the Parent Voice informative website packed full of useful signposts, organisations, factsheets and latest news articles.
- Dedicated Parent Participation Workers in every district of Hampshire providing local information and advice tailored to individual needs. Details of local workers can be found: [http://www.parentvoice.info/en/Who\\_To\\_Contact](http://www.parentvoice.info/en/Who_To_Contact)
- Chat on facebook: Parent Voice Hampshire or follow on twitter: @Parent\_Voice

New for 2012: Parent Voice Bridging Workers. Bridging workers will work with families and activity providers to support inclusion of disabled children and further develop activities in the local community. There is a dedicated bridging worker in every district of Hampshire so to find out more go to [www.hampshire-gateway.info](http://www.hampshire-gateway.info).

Facebook: Parent Voice Hampshire. Twitter: @Parent\_Voice.

# Domestic Abuse Services

## **Fareham & Gosport Family Aid – Children and Young People Domestic Abuse Service**

The service provides support for children and teenagers who have witnessed or experienced domestic abuse. The service is free, confidential and non judgmental and is available to all children and teenagers living within the boroughs of Fareham and Gosport.

Where children are concerned, the ethos of the service is that Parents know their children best. They will listen to Parents and Professionals to ascertain their concerns and work closely with them to ensure children receive the best possible support. Services include: behaviour issues; contact issues; emotional support; parent/child relationship issues; anger management; confidence and self-esteem building; support with school and pre school and keeping safe. The aim is to build and maintain relationships through play and to deal with all the problems listed above in a fun and age appropriate way. Signposting to other support services is also offered. FGFA CYPT are able to work with any Child or Young Person whose parent has received Support from their Floating Support Team.

Access: self referral and referrals from professionals.

## **NSPCC**

The NSPCC is running three new services under the themes of 'Neglect' and 'Physical Abuse in high risk families'.

### **Improved Parenting, Improved Partnership (IPIP)**

- For children aged 4-10 where there are concerns of neglectful parenting.
- Triple P Pathways@ 10 week parenting programme 1:1 with parents in the home.
- Video Interactive Guidance: short video of parent/child interactions (6-8 sessions) identifying strengths and positives to reverse neglectful behaviours.

### **Family SMILES (Simplifying Mental Illness plus Life Enhancing Skills)**

- For children aged 8-14 whose parent/carer has a mental illness.
- 8 weeks of group sessions for child and 6 individual sessions with parents alongside, development of a 'Family Safety Plan' at end of group.

### **Evidence Based Decisions**

- Time limited assessments using North Carolina Assessment Scale (+2 to -3) identifying action plan and capacity to change.
- For children 0-18 who are subject to a child protection plan, or complex needs, regarding significant concerns of neglectful parenting to assist the Local Authority in decision making and to prevent delay/drift in the system.

Access: referrals from professionals.

NSPCC Southampton Service Centre, 21 The Avenue, Southampton, SO17 1XL  
023 8024 8180

## **The Hampshire Portage service**

### **Core Portage**

Core Portage is a home visiting service for children who have significant delay in at least two areas of their development. An individual, flexible package of support will be provided depending on the needs of the child and family through regular home visits. The Portage service recognises that parents and carers know their children best and the Portage home visitor builds on that knowledge. The Portage home visitor will work with families to plan activities so that the child learns new skills in small achievable steps. Portage home visitors will also liaise with early years settings and schools to ensure a smooth transition for children when appropriate.

### **Portage Plus**

Portage Plus is for families of pre-school children with significant behaviour difficulties. This support includes visits to the child's early years setting as well as to the home environment. These visits are designed to identify specific areas of concern and support with suggested strategies. If appropriate, prior to school entry, the Portage practitioner will link with the child's receiving school and other agencies to ensure a smooth transition.

### **Portage Outreach service**

Portage Outreach is a service offered to early years settings for any child whose development causes concerns at Early Years Action Plus stage. Some children will meet the developmental criteria for Core Portage, but may not receive home visits because they receive a high number of hours at the setting or it is agreed that the focus of support should be in the setting due to preparation for school

For more information on Portage services go to [www.hants.gov.uk/childcare/portage](http://www.hants.gov.uk/childcare/portage)  
Access: referrals from professionals.

## **Youth Crime Prevention Team**

The Youth Crime Prevention Team works with children and young people who are at risk of getting involved with crime and anti-social behaviour. Children are identified by a wide range of agencies and a multi-agency panel agrees the support required. It is voluntary and the children and parents must agree to the support. One-to-one support is available for parents as well as parenting programmes. Ages 10-16 years.

Access: referrals from professionals.

## **Early Intervention in Psychosis Service**

The Early Intervention in Psychosis Service aims to engage people who are experiencing their first episode of psychosis. The service offers evidence based clinical interventions centred around education about psychosis, alongside pharmacological, psychological, social and family based interventions. The service also aims to increase the knowledge about early signs of psychosis for staff working in primary care, schools and all public and voluntary sectors who may come into contact with individuals who may be at risk of first episodes. Ages 14-35 years.

Access: referrals from professionals, voluntary organisations, friends and family members, self referral.
