

East Hants

LFSP
Kim Taylor
Greatham Primary School
East Hants

I am a reception class teacher at Greatham Primary School, East Hants. I have a strong belief in using the outdoor area to support learning and use objective led planning whilst following children's interests. I am currently developing transition into year 1.

LFSP
Emma Dean
Childminder
East Hants

I have worked in early years for over 10 years, and I find I am still learning and growing my practice alongside the changing needs of the children. I am especially enthusiastic about outdoor play and learning for all ages. As a childminder I feel I bring a different perspective to the support I can offer any early years setting. I offer support in most areas, most recently tracking children's progress, the learning environment, the role of the adult and Ofsted readiness.
