

Case Study – Probation Lead

Family Composition and History:

- Mother, Father and 4 children
- Both Mum and Father serving 12 month Community Orders
- Both parents out of work
- Eldest 3 children have low school attendance
- Both parents have a history of substance misuse
- Children are subject to a Child Protection register because of parent's substance misuse.

The Single Multi-Agency Plan:

- Support family in property move, to be closer to children's school
- Parenting support with morning routines, to ensure children arrive at school on time
- DWP and Probation support to get both parents into employment.
- Both parents to engage with Inclusion service to support substance misuse

The Outcomes:

- Family supported in a move into a new property, closer to the children's school.
- Mum is calmer and more focused
- Mum working with DWP to find part time work.
- Both parents engaged with Drug and Alcohol services
- Father now working
- Worked with the family to support money management and debt support.
- Offending stopped completely
- School attendance for school age children is now above 90% with Mum communicating well with the school
