

Curriculum updates

Compiled by Hampshire inspectors and advisers, the curriculum updates share examples of high-quality good practice to keep you up to date with subject or whole-school issues.

Subjects covered include:

- art
- computing/ICT
- English
- geography
- history
- languages
- mathematics
- personal development learning (PDL)
- religious education
- rights and diversity education (RADE)
- science
- special educational needs (SEN).

Benefits of subscribing

- Curriculum updates are a cost-effective means of getting top-level advice.
- Issued twice a year, they contain the latest ideas, thinking and information.
- Sent to you in electronic format for ease of sharing amongst colleagues.
- Subscriptions are available for all curriculum updates or for individual titles.

Subscription rates

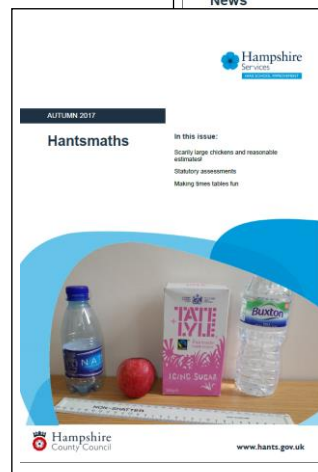

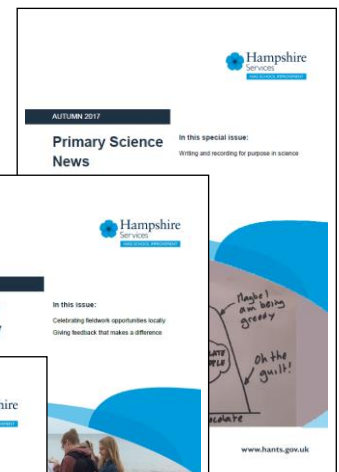

- £335 for all curriculum updates to be received electronically (plus VAT).
- £50 per individual title to be received electronically (plus VAT).
