Crabbing Guidelines

Be Safe!

Kneel down when you're crabbing

Don't lean out too far!

Stay with your parents at all times

Watch your fingers, crabs can pinch!

Be Kind!

Keep your crabs in a bucket of seawater

Put in some rocks and seaweed so the crabs can hide

Do not keep crabs in your bucket for more than 20 minutes

Don't put too many crabs in your bucket

Be gentle with crabs - use a net so you don't drop them
