FREE VISIT (half day) as entitlement for all schools buying HMS instrumental / vocal tuition

This visit is intended to support departmental priorities: what are the key issues, have they been appropriately identified, and what can HMS do to support their implementation? Sessions can therefore include reviews of standards, joint observations of lessons with senior leaders, and discussions on how to create / deliver programmes of work that will improve specific musical outcomes. Given the new national curriculum, KS3 planning would be an effective focus, but all aspects of a department's work can be explored.
