

# Listen2Me Recorders 2013-14

For the academic year 2013/14 HMS is introducing a charge for recorders supplied for the Listen2Me programme.

HMS was able to buy a large stock of recorders for L2M through Government funding. We were able to supply these free of charge and to be retained by the pupils using them. This stock has now run out. Rather than put the cost of all L2M up to cover providing new recorders each year we have decided that it would be best practice for schools to only pay for recorders if they use them. To this end we are offering to supply suitable quality recorders to schools that will be charged at £4.00 each. If schools prefer, they can provide their own recorders for L2M sessions.

Please complete Form 3C with your recorder requirements if you wish HMS to supply. Remember to include one for each of the adults supporting the children.
