Looking after our Learners

The Learning in Libraries team is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We will ensure our recruitment and selection practices reflect this commitment.

We aim to serve the Whole Hampshire community in all its diversity. We are committed to providing accessible services and we are continually working to identify any inequalities in the way we deliver our services and look for opportunities for opening them up to a wider section of the public, particularly to disadvantaged groups.

Do we have your email address?

We have a service to help you remember when your library loans are due back and so avoid costly overdue charges.

We will send you a notification, to your registered email address, two days before your loans are due back, so that you can decide whether to return or to renew.

If you forget, we will send you a reminder that your loans are overdue. For 7 day loans you will receive your reminder 7 days after the due date. For longer loans it will be 18 days after the due date.

Reminders will only be available to customers whose email addresses we hold, so make sure you sign-up. You can do this by logging in to the library catalogue and accessing 'My Account'. Alternatively visit your local library and ask a member of staff to update your contact details.
