

First name	Gary
Surname	
Your address	
Your email address	
Your organisation (if applicable)	
Respondent capacity	Resident
Are you happy for us to contact you following this survey...	Yes
Q1 Do you agree with the proposed Plan period up to 2036?	Yes
Q2 If not, what period do you suggest and why?	
Q3 Do you agree with the proposed Vision?	code 1
Q4 If not, what changes would you suggest?	
Q5 Do you agree with the proposed Strategic Plan Objectives?	code 1
Q6 If not, what changes would you suggest?	
Q7 Do you agree with the proposed Spatial Strategy Content?	code 1
Q8 If not, what changes would you suggest?

Q9 Can you suggest any other sources of minerals data for the Central and Eastern Berkshire Area	
Q10 Do you agree that the general trends for the Berkshire wide level of mineral demand are also likely to apply in Central and Eastern Berkshire?	Yes
Q11 Do you agree that there is sufficient information to support a minerals plan for Central and Eastern Berkshire?	Yes
Q 12	

Q13 Do you think potential and practicable rail and water con...	Yes
Q14 Do you know of any such sites within Central and East...	
Q15 If existing rail depots in neighbouring authorities c...	Yes
Q16	
Q17 Do you agree that the demand information suggests tha...	Yes
Q18	Don't know
Q19 If not, what information do you have that would suppo...	
Q20 Do you agree that the trend for increasing consumptio...	Don't know
Q21	
Q22 Do you agree with the assumption that Central and Eastern Berkshire is exporting some of its construction and demolition waste outside of The Plan area, potentially to West Berkshire, for processing?	Yes
Q23 Do you agree that Central and Eastern Berkshire should be more self sufficient in its processing of construction and demolition waste within The Plan area?	Yes
Q24 Do you agree with the assumption that the crushed rock supplied to Central and Eastern Berkshire is sourced from Somerset via the rail depots at Theale?	Yes
Q25 Do you agree that the consumption of crushed rock within the Berkshire area demonstrates the dependence of Central and Eastern Berkshire on the rail depots in neighbouring areas as sources of supply?	Yes
Q26 Do you agree with the assumption that the marine won sand and gravel forms a small but important part of the aggregate supply to Central and Eastern Berkshire?	No
Q27 Do you agree with the assumption that marine won sand and gravel from Hampshire is being transported by road and via rail from London's wharves?	No
Q28 Do you agree that the import of marine aggregates to Central and Eastern Berkshire justifies support for safeguarding wharves in supply locations such as Hampshire and London?	No
Q29	Yes
Q30 Do you agree that the supply of soft sand to Central and Eastern Berkshire is being sourced from outside The Plan area?	
Q31 Are you aware of any reasons for soft sand proposals not coming forward?	No
Q32 Are you aware of any potential soft sand sites?	No
Q33 Do you agree with the assumption that Central and Eastern Berkshire is likely to be supplying Slough with aggregate?	Yes
Q34 Are you aware of any factors which may affect the estimated seven million tonnes of reserves at operational sites within Central and Eastern Berkshire?	No
Q35 Do you agree that potential resources of sand and gravel and soft sand remain within Windsor & Maidenhead and Wokingham Boroughs'?	Don't Know

Q36 Do you think the resources in Preferred Areas in Slough should be taken account of when considering potential resources supply to Central and Eastern Berkshire?	Don't Know
Q37 Do you agree that the main supplies of sand and gravel used in the area are from within Berkshire and Hampshire?	No
Q38 If not, do you have any evidence to support this?	No
Q39 Do you agree with the assumption that a decline in exports reflects the development demand pressures within the area?	Yes
Q40 Do you agree with the assumption that imports and exports of sand and gravel are transported by road?	No
Q41	
Q42	Yes
Q43 If not, what level of demand do you think is appropri... Soft sand Issue: there is currently no soft sand produced...

Q46 If not, what measures can be used to encourage soft s...	
Q 47	Yes
Q48 If not, what factors or information influence your po...	
Q49 Do you agree that the Central and Eastern Berkshire Authorities should plan for an additional requirement of 9 million tonnes of sand and gravel?	Yes
Q50 If not, what is the evidence to support this?	
Q51 Do you agree that all the remaining Preferred Areas are reconsidered for inclusion in the Joint Minerals and Waste Plan?	
Q52 Do you have any information regarding the remaining Preferred Areas which may impact their inclusion?	
Q53 Are you aware of any sand and gravel sites that could be proposed for extraction?	
Q54	Yes
Q55 If not, what other minerals should be included and why?	
Q56 Do you agree that it is not necessary to safeguard clay resources because current industrial demand by brick and tiles works is low in this area?	Yes
Q57 If not, what evidence do you have to support this?	
Q58 Do you agree that it is not necessary to allocate clay extraction sites?	Yes
Q59 If not, what evidence do you have to support this?	
Q60 Do you agree that future clay proposals can be judged against a criteria based policy?	Yes
Q61 Do you agree that it is not necessary to safeguard chalk resources?	Yes
Q62 If not, what evidence do you have to support this?	
Q63 Do you agree that it is not necessary to allocate chalk extraction sites?	Yes
Q64 If not, what evidence do you have to support this?	
Q65 Do you agree that future chalk proposals can be judged	Yes

against a criteria based policy?

Q66 Do you agree there are currently no known commercially viable resources of oil and gas in Central and Eastern Berkshire? Yes

Q67 Do you agree that the Joint Minerals and Waste Plan should contain a policy to judge future oil and gas proposals should the situation change? Yes

Q68 Do you agree that a criteria based policy should be used to judge any future oil and gas proposals? Yes

Q69 Coal Yes

Q70 If not, what evidence do you have to support this?
