

**Hantsfile Name: GBC Transport Statement Live Scheme List**
**Last Updated: December 2013**

Strategic schemes necessarily cover both Fareham and Gosport although some differentiation has been made. Many of the schemes are repeated in both transport statements recognising the importance of the benefits to both boroughs. Care should be exercised if reviewing funding positions to not double count scheme estimates as costs are represented in full and not proportionally to each borough.

Scheme Category	TS Reference	Original TS Reference (Archived)	Area	Location	Scheme Proposal	Scheme Type	Scheme Status	Estimated Cost £'000
Strategic	GBC0112		Gosport	Waterfront Development	Transport access improvements to Waterfront 2) multi modal access improvements at Gosport Ferry/ Bus interchange. (G-HCCST3)	Highway Scheme	To be Investigated	TBC
