

Hantsfile Name: TVBC Transport Statement Live Scheme List								
Last Updated: December 2013								
Scheme Category	TS Reference	Original TS Reference (Archived)	Area	Location	Scheme Proposal	Scheme Type	Scheme Status	Estimated Cost £'000
Strategic	TVBC0001	TVSS001	Nursling & Rownhams	Nursling & Rownhams- Junction 1 of M271	Signalise junction to better manage traffic and provide facilities for cyclists and pedestrians	Highway Scheme	Feasibility	1,500
Strategic	TVBC0002	TVSS002		M27 Junction 3	Widening of junction circulatory, including completion of signalisation to better manage access to/from motorway	Highway Scheme	Pre feasibility scoping	3,000
Strategic	TVBC0003	TVSS003		Brownhill Way Adanac	Park & Ride	Public & Community Transport	To be Investigated	3,000
Strategic	TVBC0004	TVSN004	Bullington	Improvement of access from A34/A30 on slip road A303 West at Bullington Cross	Improvement of access from A34/A30 on slip road A303 West at Bullington Cross to reduce dangerous back-up of traffic, particularly at peak time	Highway Scheme	To be Investigated	3000
Romsey TAP	TVBC0005	RTAP001	Romsey	Romsey - Mainstone A3090/A27 Salisbury Road junction	<ul style="list-style-type: none"> Junction alteration and or gateway feature Speed reducing measures Investigate the potential for reducing the queuing traffic on the A3090 back to the Broadlands roundabout thereby improving journey time reliability Provide facilities for pedestrians and cyclists. 	Highway Scheme	Pre feasibility scoping	200
Romsey TAP	TVBC0006	RTAP002	Romsey	Romsey - A3090 Winchester Road corridor	Review speed limits on route and potentially reduce speeds to 30mph and introduce measures for cyclists and pedestrians which will assist in reducing speeds	Highway Scheme	To be Investigated	50
Romsey TAP	TVBC0007	RTAP003	Romsey	Romsey - A3057 Southampton Road	Consider providing gateway feature to reduce speed of traffic entering	Highway Scheme	To be Investigated	30
Romsey TAP	TVBC0008	RTAP004	Romsey	Romsey - A3057 Greatbridge Road Road	Consider providing gateway feature to reduce speed of traffic entering	Highway Scheme	To be Investigated	30
Romsey TAP	TVBC0009	RTAP005	Romsey	Romsey - Richmond Lane	Improve route to accommodate cyclists as part of the cycle strategy implementation	Highway Scheme	To be Investigated	100
Romsey TAP	TVBC0010	RTAP006	Romsey	Romsey - The Hundred / Palmerston St / Broadwater Road	Investigate ways to address any issues identified at the junction of Palmerston St and The Hundred - difficult to negotiate and concern at operation of junction between Palmerston and Broadwater Road.	Highway Scheme	To be Investigated	250
Romsey TAP	TVBC0011	RTAP007	Romsey	Romsey - Former Infant School site	Improve access from the site onto Winchester Road (particularly the right turn)	Highway Scheme	To be Investigated	50
Romsey TAP	TVBC0012	RTAP008	Romsey	Romsey - Winchester Road / Botley Road junction	Improve signage and junction. Poor visibility and deflection	Highway Scheme	To be Investigated	200
Romsey TAP	TVBC0013	RTAP009	Romsey	Romsey - Love Lane	Remove conflict between pedestrians and motor vehicles by enhancing environment for pedestrians and cyclists.	Highway Scheme	To be Investigated	10
Romsey TAP	TVBC0015	RTAP011	Romsey	Romsey - Town Centre	Provide innovative lorry routeing signage in Romsey. This would provide colour coded approach signing to the industrial estates and therefore minimise the impact of the signs and provide clearer routing.	Highway Scheme	To be Investigated	15
Romsey TAP	TVBC0016	RTAP012	Romsey	Romsey - Malmesbury Road, Princes Road and Duttons Road junction, flow of traffic along A3057	Consider options to alter junction to improve vehicle flow, safety and pedestrian movement also taking into account the function of the roundabout at railway bridge in Greatbridge Road.	Highway Scheme	To be Investigated	200
Romsey TAP	TVBC0017	RTAP013	Romsey	Romsey - Alma Road	Reduce congestion in Alma Road linked to Waitrose car parks and Dr's surgery.	Highway Scheme	To be Investigated	100

Romsey TAP	TVBC0018	RTAP014	Romsey	Romsey - Plaza Roundabout	Consider signals or alternative layout should capacity of junction become a greater issue related to future development in area.	Highway Scheme	To be Investigated	300
Romsey TAP	TVBC0019	RTAP015	Romsey	Romsey - Whitenap Lane	Look at contraflow cycling along Whitenap Lane and improvements required to facilitate this or suitable alternatives. Improvements for pedestrians and cyclists as part of the Cycle Strategy	Highway Scheme	To be Investigated	50
Romsey TAP	TVBC0020	RTAP016	Romsey	Romsey - Church Lane	Further measures to improve Church Lane to provide increased priority for pedestrians especially by School	Highway Scheme	To be Investigated	25
Romsey TAP	TVBC0022	RTAP018	Romsey	Romsey - Luzborough Roundabout on A27	Improvements to lane marking on approaches to roundabout.	Highway Scheme	To be Investigated	3
Romsey TAP	TVBC0024	RTAP020	Romsey	Romsey	Review of 'On Street Parking' situation	Parking Control & Management	To be Investigated	10
Romsey TAP	TVBC0025	RTAP021	Romsey	Romsey - Town Centre	Review of available parking in Town Centre and options to provide more parking on the edge of the town centre	Parking Control & Management	Feasibility underway	10
Romsey TAP	TVBC0026	RTAP022	Romsey	Romsey - Town Centre	Improve signage and car park information (see	Parking Control & Management	To be Investigated	10
Romsey TAP	TVBC0027	RTAP023	Romsey	Romsey - Alma Road and Princes Road car parks	Consider use of these car parks by commuters and how that could impact on congestion in Alma Road	Parking Control & Management	To be Investigated	5
Romsey TAP	TVBC0028	RTAP024	Romsey	Romsey - Barge Canal	Upgrade footpath with improved lighting, surface and new steps/ramp.	Walking	Pre feasibility scoping	100
Romsey TAP	TVBC0029	RTAP025	Romsey	Romsey - Market Place, Bell St and Church Street	Enhance the environment for pedestrians in the Market Place and Bell Street/Church Street for pedestrians with improved crossing points, more space and greater priority for pedestrians.	Walking	Feasibility underway	2500
Romsey TAP	TVBC0030	RTAP026	Romsey	Romsey - Greatbridge Road	Provide refuge to cross road opposite the house 'Inshallah' on Greatbridge Road	Walking	To be Investigated	30
Romsey TAP	TVBC0031	RTAP027	Romsey	Romsey - Station Road to Town Centre	Resurface with drainage channels in new style suitable for wheelchairs. Provide dropped kerbs and crossing points, and consider options to improve access by the library	Walking	To be Investigated	100
Romsey TAP	TVBC0032	RTAP028	Romsey	Romsey - The Hundred	Improve narrow and poorly surfaced footways and sightlines	Walking	To be Investigated	50
Romsey TAP	TVBC0033	RTAP029	Romsey	Romsey - Bus Station to Town Centre	Enhancements to current routes between Bus Station and the Hundred / Bell Street	Walking	To be Investigated	25
Romsey TAP	TVBC0034	RTAP030	Romsey	Romsey - Bell Street, Middlebridge Street and Broadwater Road junction	Improve crossing opportunities for pedestrians. Investigate further, possibly linked to improvements to Bell Street, the options to improve access for pedestrians in this area	Walking	To be Investigated	250
Romsey TAP	TVBC0035	RTAP031	Romsey	Romsey - Pedestrian routes into Town Centre (Winchester Road, Botley Road and Greatbridge Road)	Upgrade the pedestrian routes along these main routes with appropriate dropped kerbs, and improved surfacing etc	Walking	To be Investigated	200
Romsey TAP	TVBC0036	RTAP032	Romsey	Romsey - Cherville Street	Improve access to Romsey School by providing lighting along footpath behind Cherville Street.	Walking	To be Investigated	100

Romsey TAP	TVBC0037	RTAP033	Romsey	Romsey School	Update the School Travel Plan to identify options to improve safety outside school due to congestion	Walking	To be Investigated	50
Romsey TAP	TVBC0038	RTAP034	Romsey	Romsey - Duttons Road and Malmesbury Road	Consider widening pavement near railway tunnel in particular, resurfacing and improving drainage and providing dropped kerbs and marked crossing points and possible pedestrian refuge near junction with Duttons Road	Walking	Pre feasibility scoping	100
Romsey TAP	TVBC0039	RTAP035	Romsey	Romsey - Duttons Road	Improve footpath linking Industrial Estate under railway to Fishlake Meadows	Walking	To be Investigated	100
Romsey TAP	TVBC0040	RTAP036	Romsey	Romsey - Greatwell Drive	Improve pedestrian links through Greatwell Drive to Romsey Primary School and Canal Path as alternatives to Winchester Road by improve signposting, dropped kerbs and road markings	Walking	To be Investigated	50
Romsey TAP	TVBC0042	RTAP037	Romsey	Romsey - Alma Road	Consider phasing of controlled pedestrian crossing and provision of pedestrian refuge in Alma Road.	Walking	To be Investigated	30
Romsey TAP	TVBC0043	RTAP038	Romsey	Romsey - Rapids Roundabout	Consider options for safer crossing including possible controlled crossing of Southampton Road – linked to any alterations at Plaza junction	Walking	To be Investigated	100
Romsey TAP	TVBC0044	RTAP039	Romsey	Romsey - Controlled Crossing on A3057 near Rapids	Consider upgrading pedestrian crossing to Puffin/toucan crossing to reduce traffic delays.	Walking	HCC Capital Programme 2014/15	25
Romsey TAP	TVBC0045	RTAP040	Romsey	Romsey - Sun Arch	Poor and unsafe pedestrian environment under Sun Arch with narrow pavements and reduced headroom. Provide alternative route and/or improve environment for pedestrians under bridge	Walking	To be Investigated	65
Romsey TAP	TVBC0046	RTAP041	Romsey	Romsey - Town Centre	Improving pedestrian and cycle access north and south by providing access through previous Romsey Infant School site both through the subway to the north and potential bridge across the canal to link to Railway Station	Walking	To be Investigated	300
Romsey TAP	TVBC0047	RTAP042	Romsey	Romsey - Winchester Road	Provision for pedestrians to cross Winchester Road too limited. Need for more especially to reach bus stops, local shops and hospital. Dropped kerbs also needed by Campion Drive. Traffic lights at Cupernham Lane and Braishfield Road will have a pedestrian phase and provide safe access in those locations. Any additional crossing points would need to be shown to be appropriate and feasible.	Walking	To be Investigated	30
Romsey TAP	TVBC0048	RTAP043	Romsey	Romsey - Cupernham Lane	Option of setting back school gates from pavement	Walking	To be Investigated	20
Romsey TAP	TVBC0049	RTAP044	Romsey	Romsey - Tadburn / Halterworth	Bridge over Railway Line	Walking	To be Investigated	500
Romsey TAP	TVBC0050	RTAP045	Romsey	Romsey - Halterworth	Consider creating pedestrian friendly environment with dropped kerbs for crossing roads and upgraded footpath links. Need to reduce traffic speeds and through traffic from residential area of Halterworth. Need for dropped kerbs at junctions.	Walking	To be Investigated	100
Romsey TAP	TVBC0051	RTAP046	Romsey	Romsey - Botley Road	Look at opportunities for new footpaths across Botley Road recreation ground	Walking	To be Investigated	20
Romsey TAP	TVBC0052	RTAP047	Romsey	Romsey - Woodley Estate	Improve signing and, surfaces and widen some of main footpath links to provide joint cycle use through the Woodley estate.	Walking & Cycling	To be Investigated	100

Romsey TAP	TVBC0053	RTAP048	Romsey	Romsey - Woodley	Enhance environment around local shops and make provision for disabled and cycles	Walking & Cycling	To be Investigated	20
Romsey TAP	TVBC0054	RTAP049	Romsey	Romsey - Other Residential Areas	Consider upgrading some pedestrian routes in residential areas including dropped kerbs, better surfacing, improved footpath links and lighting when the opportunity arises	Walking	To be Investigated	100
Romsey TAP	TVBC0055	RTAP050	Romsey	Romsey Town	Provide suitable non-intrusive cycle storage in town centre and other destinations	Cycling	To be Investigated	25
Romsey TAP	TVBC0056	RTAP051	Romsey	Romsey - Southampton Road and the Harrage	Barriers between Southampton Road and The Harrage are too close to allow access for some mobility vehicles, and some cycles – especially those with panniers or trailers. Alter the location of the barriers to allow adequate space for access	Cycling	HCC Capital Programme 2014/15	3
Romsey TAP	TVBC0057	RTAP052	Romsey	Romsey - Cycle Strategy	Implement cycle routes identified in the Cycle Strategy that link residential areas to the town and from the town to nearby villages and other destinations such as Redbridge, Ampfield, Wellow and Timsbury.	Cycling	Pre feasibility scoping	500
Romsey TAP	TVBC0058	RTAP053	Romsey	Romsey Bypass	Shared pedestrian and cycle route along edge of bypass in cycle strategy	Walking & Cycling	To be Investigated	200
Romsey TAP	TVBC0059	RTAP054	Romsey	Romsey Canal	Improve access along the Canal to countryside to North of the town to provide a greenway for improved access to countryside for cyclists and pedestrians. Taking consideration of the emerging consultation document 'Enhancing Romseys Waterways, Issues and Opportunities	Walking & Cycling	Pre feasibility scoping	500
Romsey TAP	TVBC0060	RTAP055	Romsey	Romsey Railway Station	Provide new signs to railway station, and other destinations in vicinity, and erect sign to clarify access under the tunnel	Walking	To be Investigated	10
Romsey TAP	TVBC0061	RTAP056	Romsey	Romsey Railway Station	Provide additional cycle parking	Cycling	To be Investigated	5
Romsey TAP	TVBC0062	RTAP057	Romsey	Romsey Railway Station	Station facilities are fairly old with limited space for passengers queuing to buy tickets and lack of provision for the disabled. Need to enhance area around station. Combine waiting area with ticket office to provide more space and add disabled toilets (will remove current waiting room and toilets from centre of stationmasters house to enable separate use).	Public & Community Transport	Feasibility underway	200
Romsey TAP	TVBC0063	RTAP058	Romsey	Romsey Railway Station	Investigate further parking opportunities with Network Rail and First Great Western	Public & Community Transport	Feasibility underway	300
Romsey TAP	TVBC0064	RTAP059	Romsey	Romsey Railway Station	Improve bus services linking to the Station by encouraging bus service providers to stop closer to the station or use midi bus to serve station forecourt.	Public & Community Transport	To be Investigated	5
Romsey TAP	TVBC0065	RTAP060	Romsey	Romsey Bus Station	Environment and facilities by the bus station need enhancement. More seating needed, better shelter from weather and improved security. Upgrade the buildings, public facilities and general environment at the bus station	Public & Community Transport	To be Investigated	500
Romsey TAP	TVBC0066	RTAP061	Romsey	Romsey Town	Consider provision of a circular bus route around the town and links to other key destinations linked to serving new development at Abbotswood. Possibly provision for cars parked on the outskirts of town	Public & Community Transport	To be Investigated	500
Romsey TAP	TVBC0067	RTAP062	Romsey	Romsey to Southampton Hospital	Consider ways to improve access to the hospital either by a sustainable service and/or better promotion of alternative modes	Public & Community Transport	To be Investigated	5

Romsey TAP	TVBC0068	RTAP063	Romsey	Romsey to Southampton	Already have QBP. Although not a fast or direct route – could investigate alternative options for sustainable service	Public & Community Transport	To be Investigated	5
Romsey TAP	TVBC0069	RTAP064	Romsey	Romsey Area	Extend existing bus routes or provide additional services through any large new development areas	Public & Community Transport	To be Investigated	500
Romsey TAP	TVBC0070	RTAP065	Romsey	Romsey - Winchester Road	Improve access and information at bus stops and seating where possible.	Public & Community Transport	To be Investigated	10
Romsey TAP	TVBC0071	RTAP066	Romsey	Romsey	Consider ways of improving alternative travel choices for children e.g. possible provision of a minibus for those children travelling from outlying areas	Smarter Choices	To be Investigated	5
Romsey TAP	TVBC0072	RTAP067	Romsey	Romsey Area	Development workplace travel plans for existing employment sites	Smarter Choices	To be Investigated	5
Romsey TAP	TVBC0073	RTAP068	Romsey	Romsey Area	Monitor implementation of travel plans and provide support in their implementation	Smarter Choices	To be Investigated	5
Romsey TAP	TVBC0074	RTAP069	Romsey	Romsey Area	Continue to promote events to encourage changes to travel habits such as Bike Week and National Liftshare Day	Smarter Choices	District/Borough Programme	5
Andover TAP	TVBC0075	ATAP001	Andover	Viking Way/Roman Way	East Anton - Traffic management improvements to include change in priority on route, mini roundabout, buildouts and parallel parking bays	Highway Scheme	S278 developer to construct	240
Andover TAP	TVBC0076	ATAP002	Andover	Roman Way	East Anton - Traffic management to improve the route from north to south	Highway Scheme	To be Investigated	146
Andover TAP	TVBC0077	ATAP003	Andover	Smannell Road	East Anton - diversion of Smannell Road and new roundabout junction with Finkley Road	Highway Scheme	S278 developer to construct	285
Andover TAP	TVBC0078	ATAP004	Andover	Enham Alemein and Smannell Road	East Anton - Traffic management improvements	Highway Scheme	To be Investigated	75
Andover TAP	TVBC0079	ATAP005	Andover	Walworth Road/London Road roundabout A3093	Picket Twenty development - signalisation of the Walworth roundabout and/or improvements to the A3093 between Walworth roundabout and junction with the A3057 London Road	Highway Scheme	To be Investigated	700
Andover TAP	TVBC0080	ATAP006	Andover	London Road/Eastern Avenue	Picket Twenty - Junction improvement Link RT1.4	Highway Scheme	To be Investigated	230
Andover TAP	TVBC0081	ATAP007	Andover	A3057/Northern Avenue/Western Avenue roundabout (Folly)	Picket Twenty and Picket Piece developments - improvements to the roundabout junction; East Anton - bus priority and/or traffic management measures to the roundabout junction Link PCT 4.8	Highway Scheme	To be Investigated	300
Andover TAP	TVBC0082	ATAP008	Andover	Finkely Arch - Walworth Road to Smannell	East Anton - creation of traffic link under Finkley Arch and signalisation of Walworth Road and North Way	Highway Scheme	S278 developer to construct	500
Andover TAP	TVBC0083	ATAP009	Andover	A303/A3093 interchange	East Anton - Improved merge arrangements at the on-slip	Highway Scheme	S278 developer to construct	400
Andover TAP	TVBC0084	ATAP010	Andover	Churchill Way/River Way	Tesco - new access from store onto Churchill Way and all moves access onto River Way	Highway Scheme	S278 developer to construct	1000
Andover TAP	TVBC0085	ATAP011	Andover	London Road B3400	Picket Twenty - new access into site	Highway Scheme	S278 developer to construct	800

Andover TAP	TVBC0086	ATAP012	Andover	London Road B3400/The Middleway	Picket Twenty - junction improvement	Highway Scheme	To be Investigated	211
Andover TAP	TVBC0087	ATAP013	Andover	Corridors - A3057 Winchester Road; Salisbury Road, London Road, Weyhill Road, Newbury Road	Corridor and junction improvements along key routes. To include (but not exclusively) - Winchester Rd junctions with Old Winton Road and Wellesey Road; London Road/Eastern Avenue (cost in Link RT1.2); Weyhill Road/The Drove and Salisbury Rd/Millway Road junction. Principally to overcome queuing, unreliable journey times, traffic and pedestrian and cycling accessibility deficits. Link: CW 3.13, CW3.14	Highway Scheme	To be Investigated	1020
Andover TAP	TVBC0088	ATAP014	Andover	Goch Way/Saxon Way	Speed reduction and pedestrian safety and accessibility improvements on route to Harroway School.	Highway Scheme	To be Investigated	300
Andover TAP	TVBC0091	ATAP016	Andover	Andover rail station	Objective is to provide additional car parking capacity at northern side of station (Network Rail/TOC to provide) - to include contribution towards alterations to railway sidings to facilitate a pedestrian ramp to island platform (from proposed car park) and infrastructure/waiting and information improvements to the platform Link: PCT4.4	Parking Control & Management	HCC Capital Programme 2012/13	320
Andover TAP	TVBC0092	ATAP017	Andover	Town wide	Develop controlled parking zones for on street parking throughout the town, where necessary.	Parking Control & Management	TM Programme	20
Andover TAP	TVBC0093	ATAP018	Andover	Town wide	Install measures to improve security in TVBC car parks	Parking Control & Management	To be Investigated	200
Andover TAP	TVBC0094	ATAP019	Andover	Weyhill Road/The Drove/Tollgate Road	Pedestrian and facilities along Weyhill Road/The Drove/Tollgate Road to facilitate routes from the Airfield to key destinations/town centre and onwards to Picket Twenty and East Anton developments	Walking	Feasibility complete	100
Andover TAP	TVBC0095	ATAP020	Andover	Smannell Road	East Anton - signalised pedestrian crossing	Walking	HCC Capital Programme 2012/13	60
Andover TAP	TVBC0096	ATAP021	Andover	A343 Newbury Road/Smannell Road	East Anton - signalised pedestrian crossing (and footways see CW3.17) in the vicinity of Smannell Road roundabout	Walking	Feasibility underway	142
Andover TAP	TVBC0097	ATAP022	Andover	Vigo Road	East Anton - pedestrian crossing	Walking	To be Investigated	45
Andover TAP	TVBC0098	ATAP023	Andover	East Anton - Various	Off site footway and cycleway provision	Walking & Cycling	S278 developer to construct	600
Andover TAP	TVBC0102	ATAP027	Andover	East Street (A3057)	Picket Twenty - Toucan crossing (linking cycle link from Vigo Park)	Walking & Cycling	Feasibility complete	80
Andover TAP	TVBC0103	ATAP028	Andover	Vigo Park	Picket Twenty - Cycle link through park (linking phase 1 and 2)	Cycling	Feasibility complete	30
Andover TAP	TVBC0104	ATAP029	Andover	Winton School to West Street	Picket Twenty - Cycle link Phase 2	Cycling	S278 developer to construct	50

Andover TAP	TVBC0105	ATAP030	Andover	Salisbury Road and Weyhill Road	Small scale accessibility improvements to build on previous traffic calming scheme on Weyhill Road and similar accessibility improvements for Salisbury Road focusing on outputs from Coummy Street Audits 2011.	Walking & Cycling	To be Investigated	150
Andover TAP	TVBC0106	ATAP031	Andover	Weyhill Road /The Avenue	Pedestrian crossing facility required near the junction	Walking	Feasibility underway	70
Andover TAP	TVBC0107	ATAP032	Andover	Shaw Close to Colebrook Way (ROW)	Footpath upgrade required to improve surface of this route linking the back of John Hanson School from Shaw Close footpath to Weyhill Road - to include improved facilities for pedestrian crossing the bellmouth of Colebrook Way	Walking	HCC Capital Programme 2012/13	100
Andover TAP	TVBC0109	ATAP034	Andover	Cycle Strategy 2009 -	All other measures/routes not specifically outlined as schemes (£550k due from Picket Piece)	Cycling	To be Investigated	1000
Andover TAP	TVBC0110	ATAP035	Andover	Town Centre - Newbury Street - (Upper) High Street- Chantry Street	Pedestrian and cycle improvements to this town centre route (linking extended cycle route from Picket Twenty to the bus station and Western Avenue)	Walking & Cycling	Feasibility underway	300
Andover TAP	TVBC0111	ATAP038	Andover	Dene Road to Bere Hill	Cycling and walking route required from Dene Road to Bere Hill to improve accessibility between the town centre and south west of the town and Wolverdene School	Walking & Cycling	To be Investigated	120
Andover TAP	TVBC0112	ATAP039	Andover	River Anton - Bridge Street to Anton Mills	Shared use cycleway/footway with signage	Walking & Cycling	To be Investigated	70
Andover TAP	TVBC0113	ATAP040	Andover	River Anton - North from Enham Arch	Picket Twenty and East Anton - Improve the cycleway/footpath where it passes under the railway arch (route 32), leading from developments.	Walking & Cycling	To be Investigated	185
Andover TAP	TVBC0114	ATAP041	Andover	Town wide	Review and improve signs for pedestrians and cyclists throughout the town. Produce a strategy to guide the process.	Walking & Cycling	To be Investigated	40
Andover TAP	TVBC0115	ATAP042	Andover	Town wide	Pedestrian and cycle signage required - also to include maps by the Guildhall and pocket maps of the cycle strategy	Walking & Cycling	To be Investigated	11.5
Andover TAP	TVBC0116	ATAP043	Andover	Andover railway station	Cycle storage and parking required at north side of station (Costs included in RT2.1)	Cycling	To be Investigated	10
Andover TAP	TVBC0117	ATAP044	Andover	Footpath from town centre to the Hospital and Harroway School	Enhance and develop existing route (ROW 47), improving surfacing and lighting and accessibility of the route for all users including cyclists if possible. To include improved crossing facilities at the main railway line.	Walking & Cycling	To be Investigated	100
Andover TAP	TVBC0118	ATAP045	Andover	A3057/Northern Avenue/Western Avenue roundabout (Folly)	Improve pedestrian and cycle crossing facilities at the roundabout, particularly the Charlton Rd, A343 Redon Way and Western Avenue A3057 arms to improve accessibility. Refer to PCT4.8 and RT1.2c	Walking & Cycling	Feasibility underway	224
Andover TAP	TVBC0119	ATAP046	Andover	Redon Way A343	Pedestrian crossing facility required to facilitate the route to Harrow Way School	Walking	To be Investigated	40
Andover TAP	TVBC0120	ATAP047	Andover	George Yard and Waterloo Court	Improvements to accessibility/footpaths from the key town centre accesses	Walking	To be Investigated	80
Andover TAP	TVBC0121	ATAP048	Andover	A3057 Winchester Road Corridor	Footway improvements, including widening section south to Anton Road (costs included in RT1.4)	Walking	To be Investigated	0
Andover TAP	TVBC0122	ATAP049	Andover	Millway Road/Rookesbury Rd/Salisbury Rd roundabout	Improvements to facilitate pedestrians in the vicinity of the roundabout (costs included in RT1.4)	Walking	To be Investigated	0

Andover TAP	TVBC0125	ATAP050	Andover	A343 Newbury Road	Implement footways associated with pedestrian crossing facilities in CW3.1c to facilitate access to Knights Enham School's complex	Walking	Feasibility underway	70
Andover TAP	TVBC0128	ATAP052	Andover	Bus Station	Redevelop bus station to increase capacity and improve and expand facilities and bus layover provision. Phase 2 to include improvements to public walkways, signing and lighting. (Picket Piece will provide £505K shared between railway station and bus station)	Public & Community Transport	HCC Capital Programme 2013/14	505
Andover TAP	TVBC0129	ATAP053	Andover	River Way/Cricketers Way	East Anton - Bus only link controlled by traffic signals under railway arch	Public & Community Transport	S278 developer to construct	260
Andover TAP	TVBC0130	ATAP054	Andover	Railway Station	Accessibility improvements to main station building and improved waiting facilities within the building for passengers, including ticketing office and interchange with buses and taxis. Improvements to north side of station required see Link to PC2.1	Public & Community Transport	Feasibility - SWT to deliver	40
Andover TAP	TVBC0131	ATAP055	Andover	Various location - MDAs	East Anton and Picket Twenty - Various bus service support payments and bus stop infrastructure improvements to facilitate developments	Public & Community Transport	Pre feasibility scoping	2775
Andover TAP	TVBC0132	ATAP056	Andover	Various location - MDAs	East Anton - Bus service information and marketing/incentive	Public & Community Transport	Pre feasibility scoping	234
Andover TAP	TVBC0133	ATAP057	Andover	A3057/Northern Avenue/Western Avenue roundabout (Folly)	Bus priority measures/and or traffic management measures (£175k S106 due from East Anton (refer to RT1.23 and CW3.10))	Public & Community Transport	Feasibility complete	205
Andover TAP	TVBC0134	ATAP058	Andover	Charlton Road	Review operation of bus stop on same side as Andover Hospital (currently creates queus for eastbound traffic)	Public & Community Transport	To be Investigated	30
Andover TAP	TVBC0135	ATAP059	Andover	Wider Andover area	Travel Plans with new developments	Smarter Choices	S278 developer to construct	
Andover TAP	TVBC0136	ATAP060	Andover	Wider Andover area	Workplace travel plans	Smarter Choices	S278 developer to construct	
Andover TAP	TVBC0137	ATAP061	Andover	Wider Andover area	Travel marketing/awareness capaign	Smarter Choices	To be Investigated	90
Andover TAP	TVBC0138	ATAP062	Andover	High Street and Bus Station/rail station/Beechurst	Journey planning kiosks - linked to PCT4.1	Smarter Choices	To be Investigated	40
Andover TAP	TVBC0139	ATAP063	Andover	Town Centre car club	Monitor implementation and provide work to expand if necessary	Smarter Choices	To be Investigated	10
Andover TAP	TVBC0140	ATAP064	Andover	Wider Andover area	Dedicated CTC officer to promote cycle behaviour change	Smarter Choices	To be Investigated	58
Andover TAP	TVBC0141	ATAP065	Andover	Wider Andover area	Electric vehicle recharging points at railway station	Smarter Choices	To be Investigated	10
Andover TAP	TVBC0142	ATAP066	Andover	Millway and Harroway wards (west Andover)	Personalised Journey Planning (residential and workplace)	Smarter Choices	To be Investigated	100
Test Valley Access	TVBC0143	AA01	Abbots Ann	Abbots Ann - St John's cross roads	Junction improvements to improve safety and accessibility	Highway Scheme	To be Investigated	400
Test Valley Access Plan	TVBC0144	AA02	Abbots Ann	Abbots Ann - Underpass with A303	Provision of a footpath/cycleway to garden centre from the underpass with the A303	Walking & Cycling	To be Investigated	250
Test Valley Access Plan	TVBC0145	AA03	Abbots Ann	Abbots Ann - Duck Street	Traffic management and traffic calming along Duck Street (formally Red Rice Road).	Highway Scheme	To be Investigated	80
Test Valley Access Plan	TVBC0147	AM02	Ampfield	Ampfield to Romsey Cycle Route	Additional opportunities to provide safe routes for pedestrians and cyclists which will supplement the Ampfield to Romsey Cycle route. Source Test Valley Cycle Strategy 2009	Cycling	To be Investigated	200

Test Valley Access Plan	TVBC0148	AM03	Ampfield	Ampfield - Baddesley Road	Widen the footway from along Baddesley Road from St James Park eastwards to Flexford Close to improve safety and accessibility	Walking	To be Investigated	75
Test Valley Access Plan	TVBC0149	AM04	Ampfield	Ampfield - A3090	Consider provision of railings between the school and the village hall along the A3090 in Ampfield to improve safety of pedestrians	Walking	To be Investigated	30
Test Valley Access Plan	TVBC0150	AMP01	Amport	Amport - C17	Provision of a new footway along the C17 in Amport to improve safety and accessibility, particularly in the vicinity of the school.	Walking	To be Investigated	100
Test Valley Access Plan	TVBC0151	APP01	Appleshaw	Appleshaw - A342 Andover to Ludgershall	Provision of an off-road cycle route alongside the A342 Andover to Ludgershall to improve safety and accessibility. Specifically, in the first instance, connecting the off-road route from Weyhill Fair to the junction of Biddesden Lane on the northern side of the A342 and associated cycle crossing to Fyfield.	Cycling	To be Investigated	500
Test Valley Access Plan	TVBC0152	APP02	Appleshaw	Appleshaw (Ragged) A342 to village	Provision of a footway to provide access from village to bus services serving A342	Walking	To be Investigated	60
Test Valley Access Plan	TVBC0153	AW02	Awbridge	Awbridge - Romsey Road	Possible traffic calming along Romsey Road to reduce traffic speeds and improve safety within village	Highway Scheme	Feasibility complete	75
Test Valley Access Plan	TVBC0154	BO01	Bossington	Bossington - C17	Provision of a passing bay along C17 to ensure highway safety	Highway Scheme	To be Investigated	10
Test Valley Access Plan	TVBC0155	BRA01	Braishfield	Braishfield - Braishfield Road	Crossing improvements and traffic calming proposed along Braishfield Road to improve safety and accessibility	Walking	To be Investigated	35
Test Valley Access Plan	TVBC0156	BRA02	Braishfield	Braishfield - Common Hill Road	Re-alignment of the Common Hill Road (any scheme will be limited owing to the extent of highway) at junction by school to improve safety	Walking	To be Investigated	45
Test Valley Access Plan	TVBC0157	BRO01	Broughton	Broughton - Upper High Street	Improve bend along Upper High Street (near the Old Baptist Chapel) for the safety of pedestrians and cyclists	Walking & Cycling	To be Investigated	50
Test Valley Access Plan	TVBC0158	BRO03	Broughton	Broughton - School Lane	Improve crossing facilities outside the School on School Lane and extend the footway along School Lane	Walking	To be Investigated	75
Test Valley Access Plan	TVBC0159	BRO04	Broughton	Broughton - Sports Field	Consider the installation of gate within the hedge to the sports field located on the B3084, as the existing gate location provides poor visibility for pedestrians	Walking	To be Investigated	10
Test Valley Access Plan	TVBC0160	BS01	Barton Stacey	Barton Stacey - U54 the Green, junction of Roberts Road	Provision of a lay-by to improve safety and accessibility.	Highway Scheme	To be Investigated	10
Test Valley Access Plan	TVBC0161	BS02	Barton Stacey	Barton Stacey - Village Centre	Provision of safer informal crossing points within the village centre to improve safety and accessibility.	Walking	To be Investigated	20
Test Valley Access Plan	TVBC0162	BS03	Barton Stacey	Barton Stacey - Bullington Lane between Kings Elms and Roberts Road	Provision of footway between along Bullington Lane between Kings Elms and Roberts Road to improve safety and accessibility.	Walking	To be Investigated	100
Test Valley Access Plan	TVBC0163	BUL01	Bullington	Bullington - slip from A303 onto the U54 at Bullington	Measures to deter heavy vehicles parking on the slip from A303 onto the U54 at Bullington using the C55 as an access road to A30 (east) and Barton Stacey (West).	Highway Scheme	To be Investigated	50
Test Valley Access Plan	TVBC0164	BUL02	Bullington	Bullington - A34/A30 on slip road A303 West at Bullington Cross	Investigate improvement of access from A34/A30 on slip road A303 West at Bullington Cross to reduce dangerous back-up of traffic, particularly at peak time (see TVSN004 for costs)	Highway Scheme	To be Investigated	0

Test Valley Access Plan	TVBC0165	CB01	Chilbolton	Chilbolton - Adjacent to St Mary's-the- less (U84)	Provision of lay-by adjacent to Church to improve road safety	Highway Scheme	To be Investigated	10
Test Valley Access Plan	TVBC0166	CB06	Chilbolton	Chilbolton - Coley Lane	Improved footpath access from Coley Lane at the Mayfly Bridge to NCN 246	Walking & Cycling	HCC Capital Programme 2013/14	50
Test Valley Access Plan	TVBC0167	CB09	Chilbolton	Chilbolton - Winchester Street between B3420 and Village Street	Further passing places required along Winchester Street between the B3420 and Chilbolton village centre	Highway Scheme	To be Investigated	20
Test Valley Access Plan	TVBC0168	CB10	Chilbolton	Chilbolton - Coley Lane (West Down access)	Improvements required for better traffic access to the parking area at West Down	Highway Scheme	HCC Capital Programme 2014/15	10
Test Valley Access Plan	TVBC0169	CB11	Chilbolton	Chilbolton - Cow Common	Improved pedestrian access to Cow Common - Specific accesses to be clarified.	Walking	To be Investigated	20
Test Valley Access Plan	TVBC0170	CW01	Chilworth	Chilworth to North Baddesley Cyclesway	Progression of cycle route to link Chilworth, North Baddesley and Romsey	Cycling	To be Investigated	250
Test Valley Access Plan	TVBC0171	CW02	Chilworth	Chilworth - Birch Road	Provision of on-road cycle route from Birch Road across A27, Pinelands Road – Hadrian Way to Chilworth Ring	Cycling	To be Investigated	25
Test Valley Access Plan	TVBC0172	CW03	Chilworth	Chilworth - Old Roman Road	Provision of off-road cycle route along Old Roman Road	Cycling	To be Investigated	200
Test Valley Access Plan	TVBC0173	CW04	Chilworth	Chilworth - Manor Road	Provision of off-road cycle route from Manor Road southwards to Chilworth Drove then onwards to the boundary with Southampton	Cycling	To be Investigated	250
Test Valley Access Plan	TVBC0174	CW05	Chilworth	Chilworth - Misselbrook Lane	Provision of on-road cycle route from Castle Lane to Botley Road along Misselbrook Lane. Provision likely to include traffic management measures	Cycling	To be Investigated	35
Test Valley Access Plan	TVBC0175	CW06	Chilworth	Chilworth - Winchester Road	Provision of Cycleway along Winchester Road from Chilworth to Chandlers Ford	Cycling	To be Investigated	300
Test Valley Access Plan	TVBC0176	EA01	Enham Alamein	Enham Alamein - Anton Lane to Woodhouse Lane	Upgrade footpath 717 (The Cinder Path) from Anton Lane to Woodhouse Lane to allow use by cycles, including removal of the gate at the end. To improve access to the countryside.	Walking	To be Investigated	50
Test Valley Access Plan	TVBC0177	EA02	Enham Alamein	Enham Alamein - Kings Lane	Improved pedestrian facilities and access along Kings Lane	Walking	To be Investigated	30
Test Valley Access Plan	TVBC0178	EA03	Enham Alamein	Enham Alamein - A343 Newbury Road	Improved railing on route to Doctors Surgery (pedestrian railing).	Highway Scheme	To be Investigated	5
Test Valley Access Plan	TVBC0179	EA04	Enham Alamein	Enham Alamein - Dark Lane from Icknield Way to Enham village	Improve access along restricted by-way 755 (Dark lane) from Icknield Way towards Enham village, linking with footpath 717, to improve access to the Countryside	Walking	Feasibility underway	30
Test Valley Access Plan	TVBC0180	ED01	East Dean	East Dean - Top Green	Provision of a footpath to join the CROW12 land in East Dean to Top Green	Walking	To be Investigated	25
Test Valley Access Plan	TVBC0181	ED02	East Dean	East Dean - Railway Crossing	Improve footpaths through the village from Newman's Cottages to the railway crossing to improve pedestrian safety	Walking	To be Investigated	40
Test Valley Access Plan	TVBC0182	ED03	East Dean	East Dean - East Dean Road	Additional footways requested by Parish Council in village	Walking	To be Investigated	100
Test Valley Access Plan	TVBC0183	ET01	East Tytherley	East Tytherley - Through Village	Speed reductions measures/features in the village	Highway Scheme	To be Investigated	15

Test Valley Access Plan	TVBC0184	FA01	Facombe	Facombe -	Improvements to NCN246 to facilitate cycle usage along the route, including land purchase, small scale infrastructure improvements e.g. widening paths and or gates to allow safe passage of cyclists	Cycling	To be Investigated	10
Test Valley Access Plan	TVBC0185	FY01	Fyfield	Fyfield - A342 Andover Road	Proposed off-road cycle route from the Weyhill Fair roundabout A342 towards Ludgershall. This scheme will improve the safety and accessibility for pedestrians and cyclists (refer to Appleshaw scheme for costs)	Walking & Cycling	To be Investigated	0
Test Valley Access Plan	TVBC0186	GC01	Goodworth Clatford	Goodworth Clatford - Church Lane	Provision of a new footway running west from the entrance to St Peters Close, Church Lane to the junction of Village Street and to link the existing footway leading to The Clatfords Village Store, Village Street to the School. To improve pedestrian safety and accessibility	Walking	Pre feasibility scoping	20
Test Valley Access Plan	TVBC0187	GC02	Goodworth Clatford	Goodworth Clatford - Barrow Hill	Provision of a new footway along eastern end of Barrow Hill to The Crescent, to link in with existing pavement provision and to improve pedestrian safety and access within the village.	Walking	To be Investigated	40
Test Valley Access Plan	TVBC0188	GC03	Goodworth Clatford	Goodworth Clatford -	Improvements to NCN 246 to facilitate cycle usage along the route, including land purchase, small scale infrastructure improvements e.g. widening paths and or gates to allow safe pass of cyclists	Walking & Cycling	To be Investigated	10
Test Valley Access Plan	TVBC0189	GR01	Grateley	Grateley - Station Road (C43)	Provision of a footway along Station Road (C43) between Cholderton Road and footpath link to north platform of Railway Station to improve safety and accessibility to the railway station.	Walking	Feasibility underway	20
Test Valley Access Plan	TVBC0190	GR02	Grateley	Grateley - Wallop Road (B3084) and Old Stockbridge Road junction	Junction improvements to Wallop Road and Old Stockbridge Road (B3084)	Highway Scheme	To be Investigated	100
Test Valley Access Plan	TVBC0191	GR04	Grateley	Grateley - B3084 Cholderton Road	Improve the safety of pedestrians crossing the B3084 either side of the bridge, by lining measures on the approach to the bridge and possible realigning the kerb lines and/or provision of a pedestrian refuge island	Walking	To be Investigated	15
Test Valley Access Plan	TVBC0192	HO01	Houghton	Houghton - Clarendon Way Footpath	Provision of a footway from the end of the existing footway north of Mayfield House, south to the road junction at South End Cottages and include vegetation management. This would link two sections of the Clarendon Way footpath	Walking	To be Investigated	55
Test Valley Access Plan	TVBC0193	HO02	Houghton	Houghton - Bus Route (Salisbury to Stockbridge)	Provision of a bus shelter along Salisbury - Stockbridge bus route, outside Windy Ridge (former engineering works, adjacent to Chattis Hill House) for passengers	Public & Community Transport	To be Investigated	10
Test Valley Access Plan	TVBC0194	HT01	Hurstbourne	Hurstbourne Tarrant - Upton Lane and A343	Provision of safer route along Upton Lane and crossing A343 for those going to school	Walking	To be Investigated	20
Test Valley Access Plan	TVBC0195	HT02	Hurstbourne	Hurstbourne Tarrant - A343	Footway/traffic calming at bridge at southern end of the village. £25k estimated works cost	Highway Scheme	Feasibility complete	25
Test Valley Access Plan	TVBC0196	HT03	Hurstbourne	Hurstbourne Tarrant -	Improvements to NCN 246 to facilitate cycle usage along the route, including land purchase, small scale infrastructure improvements e.g. widening paths and or gates to allow safe passage of cyclists	Walking & Cycling	To be Investigated	6

Test Valley Access Plan	TVBC0198	KI01	Kimpton	Kimpton - A342 Andover Road	Proposed off-road cycle route from the Weyhill Fair roundabout (A342) towards Ludgershall. This scheme will improve the safety and accessibility for pedestrians and cyclist (refer to Appleshaw scheme for cost)	Walking & Cycling	To be Investigated	0
Test Valley Access Plan	TVBC0199	KS01	Kings Somborne	Kings Somborne - Winchester Road	Provision of a new footway from Spencer's Farm to Tanners Pond on Winchester Road to improve safety and accessibility	Walking	To be Investigated	50
Test Valley Access Plan	TVBC0200	KS02	Kings Somborne	Kings Somborne - New Farm	Winchester Road Kings Somborne -Extend footway to New Farm	Walking	To be Investigated	30
Test Valley Access Plan	TVBC0201	KS03	Kings Somborne	Kings Somborne - A3057	Provision of a new footway from Cemetery to Sunnyside View (former Carlton Engineering works) on the A3057 to improve safety and accessibility	Walking	To be Investigated	75
Test Valley Access Plan	TVBC0202	KS04	Kings Somborne	Kings Somborne - Eldon Road	Provision of a new footway from the School to Eldon Road via the Village Hall to improve safety and accessibility	Walking	Feasibility underway	75
Test Valley Access Plan	TVBC0203	KS05	Kings Somborne	Kings Somborne - Froghole Lane	Provision of an uncontrolled pedestrian crossing outside the School and at the end of Froghole Lane (note limited land available)	Walking	To be Investigated	15
Test Valley Access Plan	TVBC0204	KS06	Kings Somborne	Kings Somborne - Horsebridge Lane	Provision of cycle route to the Test Way via Horsebridge Lane	Cycling	To be Investigated	80
Test Valley Access Plan	TVBC0205	LE01	Leckford	Leckford - Leckford Lane	Improvements to NCN 246 to facilitate cycle usage along the route, including land purchase, small scale infrastructure improvements e.g. widening paths and or gates to allow safe pass of cyclists	Cycling	To be Investigated	5
Test Valley Access Plan	TVBC0206	LE02	Leckford	Leckford - A3057 Leckford Lane/Romsey Rd junction with Coley Lane	Improve junction near the Mayfly PH, remove barriers to sight lines (currently caused by the bridge parapet walls). Provide additional parking and other facilities for pedestrians and cyclists including link to PH.	Walking & Cycling	To be Investigated	250
Test Valley Access Plan	TVBC0207	LO01	Lockerley	Lockerley - Romsey Road	Footway along Romsey Road between the school and church and then along East Dean Road towards Lockerley Green to improve safety and accessibility	Walking	To be Investigated	150
Test Valley Access Plan	TVBC0208	LO02	Lockerley	Lockerley - Romsey Road	Proposed crossing upgrade on Romsey Road to improve safety and accessibility	Walking	To be Investigated	25
Test Valley Access Plan	TVBC0209	LO03	Lockerley	Lockerley - The Green	Scheme to provide alternative and appropriate car parking on The Green	Highway Scheme	To be Investigated	45
Test Valley Access Plan	TVBC0210	LP01	Longparish	Longparish - Southside Hill	Creation of a vehicle passing place on Southside Hill to improve highway safety and to allow vehicles to safely pass one another	Highway Scheme	To be Investigated	10
Test Valley Access Plan	TVBC0211	LP02	Longparish	Longparish - North Acre to Middleton	Create/improve the (spinal path – footpath 14 from North Acre to Middleton) connecting the village, which will improve pedestrian safety	Walking	To be Investigated	30
Test Valley Access Plan	TVBC0212	MON01	Monxton	Monxton -	Investigate the provision of a footpath/cycleway to garden centre from the underpass with the A303. (Abotts Ann entry for costs)	Walking & Cycling	To be Investigated	0
Test Valley Access Plan	TVBC0213	MOT01	Mottisfont	Mottisfont - B3084	Provision of a new footway along the B3084 from the railway station to Hatt Lane and continue to the Village Hall to improve safety and accessibility	Walking	To be Investigated	75
Test Valley Access Plan	TVBC0214	MOT02	Mottisfont	Mottisfont - B3084	Provision of a new footway along B3084 from the railway station to Barley Hill to improve safety and accessibility	Walking	Pre feasibility scoping	75
Test Valley Access Plan	TVBC0215	MPP01	Melchet Park & Plaitford	Melchet Park & Plaitford	Consider the implementation of a formal passing place along Church Lane between Comptons Drive and the Ford	Highway Scheme	To be Investigated	5

Test Valley Access Plan	TVBC0216	MT01	Michelmersh & Timsbury	Michelmersh & Timsbury - Romsey Road	Timsbury to Romsey Town off-road cycle route to improve safety and accessibility	Cycling	To be Investigated	75
Test Valley Access Plan	TVBC0217	NB02	North Baddesley	North Baddesley - Nutburn Road	Investigate improvements to North Baddesley crossroads and possible removal of the island in Nutburn Road to reduce congestion	Highway Scheme	Feasibility complete	250
Test Valley Access Plan	TVBC0218	NB03	North Baddesley	North Baddesley	Improvements to bus stop infrastructure along the route of the Bluestar 4 through North Baddesley. To improve access to vehicles, information (including Real Time) and shelter for passengers	Public & Community Transport	To be Investigated	25
Test Valley Access Plan	TVBC0219	NB04	North Baddesley	North Baddesley - Botley Road	Provision of an off-road cycle way from Firgrove Road to the Science Park	Cycling	Feasibility underway	400
Test Valley Access Plan	TVBC0220	NB05	North Baddesley	North Baddesley - Rownhams Lane	Improve cycle lanes along Rownhams Lane as they are regularly obstructed by parked vehicles. This could be provided by a shared use cycleway/footway with a combination of carriageway and or verge reduction.	Cycling	To be Investigated	15
Test Valley Access Plan	TVBC0221	NB06	North Baddesley	North Baddesley - Sylvan Drive	Provision of on-road cycle route along Sylvan Drive linking Hoe Lane to Rownhams Lane	Cycling	To be Investigated	40
Test Valley Access Plan	TVBC0222	NB07	North Baddesley	North Baddesley - Hoe Lane / A3057	Provision of on-road cycle route from A3057 to Rownhams Lane and possible widening of footways to create off-road routes and/or to reduce traffic speeds via Hoe Lane	Cycling	To be Investigated	20
Test Valley Access Plan	TVBC0223	NR01	Nursling & Rownhams	Nursling & Rownhams - Nursling School	Improvements to footpath and investigate lighting adjacent to Nursling school. Also make provision for an additional road crossing	Highway Scheme	To be Investigated	50
Test Valley Access Plan	TVBC0224	NR02	Nursling & Rownhams	Nursling & Rownhams	Provision of additional bus infrastructure along the route use by BlueStar4 (including shelters, raised kerbs and hardstandings)	Public & Community Transport	To be Investigated	60
Test Valley Access Plan	TVBC0225	NR03	Nursling & Rownhams	Nursling & Rownhams - Hillyfields	Proposed traffic calming in Hillyfields area.	Highway Scheme	Feasibility complete	120
Test Valley Access Plan	TVBC0226	NR04	Nursling & Rownhams	Nursling & Rownhams	Provision of cycle route Romsey to Redbridge	Cycling	To be Investigated	500
Test Valley Access Plan	TVBC0227	NR05	Nursling & Rownhams	Nursling & Rownhams	Provision of on-road cycle route linking Nursling Street, Horns Drove and Routs Way to Rownhams Lane	Cycling	To be Investigated	35
Test Valley Access Plan	TVBC0228	NR06	Nursling & Rownhams	Nursling & Rownhams - Brownhill Way	Completion of off-road cycle route along Brownhill Way to SCC boundary	Cycling	To be Investigated	200
Test Valley Access Plan	TVBC0229	NR07	Nursling & Rownhams	Nursling & Rownhams - Balmoral Way, Bakers Drive and Horns Drove	Provision of on-road cycle routes along Balmoral Way, Bakers Drove & Horns Drove	Cycling	To be Investigated	50
Test Valley Access Plan	TVBC0230	NR09	Nursling & Rownhams	Nursling & Rownhams - Station Road	Provision of a footway on Station Road between Dairy Lane and Church Lane	Highway Scheme	To be Investigated	100
Test Valley Access Plan	TVBC0231	NR10	Nursling & Rownhams	Nursling & Rownhams, Bakers Drove	The design and construction of junction improvements at Bakers Drove and the A3057 to include improvements to approaches to said junction	Highway Scheme	To be Investigated	200
Test Valley Access Plan	TVBC0232	NW01	Nether Wallop	Nether Wallop	Improvements to bus stop infrastructure along the route of the 77/87 through Nether/Middle Wallop. To improve access to vehicles, including new poles, hardstandings, information and shelter for passengers.	Public & Community Transport	To be Investigated	3
Test Valley Access Plan	TVBC0233	NW02	Nether Wallop	Nether Wallop - Station Road and Salisbury Lane	Reduction of the speed of through traffic using Station Road and Salisbury Lane by providing traffic calming/ management.	Highway Scheme	To be Investigated	90

Test Valley Access Plan	TVBC0234	OW01	Over Wallop	Over Wallop - Station Road and Salisbury Lane	Investigate the reduction of the speed of traffic using Station Road and Salisbury Lane by providing traffic calming/ management (costs included above)	Highway Scheme	Feasibility underway	0
Test Valley Access Plan	TVBC0235	OW02	Over Wallop	Over Wallop A343 Junction with Old Stockbridge Road	Junction Improvement to encourage use of Old Salisbury Lane reduce queuing on the Old Stockbridge Road	Highway Scheme	To be Investigated	100
Test Valley Access Plan	TVBC0236	OW03	Over Wallop	Old Salisbury lane with A343	Closure of Salisbury Lane to reduce rat running	Highway Scheme	To be Investigated	40
Test Valley Access Plan	TVBC0237	PG01	Penton Grafton	Penton Grafton - A342	Proposed off-road cycle route from the Weyhill Fair roundabout northwards towards Ludgershall. This scheme will improve the safety and accessibility for pedestrians and cyclists (refer to Appleshaw scheme for costs)	Walking & Cycling	To be Investigated	0
Test Valley Access Plan	TVBC0238	PG02	Penton Grafton	Penton Grafton - Weyhill Road (C33) to Charlton Road	Traffic calming required along the C33 Weyhill to Charlton road, in the interests of highway and pedestrian safety.	Highway Scheme	Feasibility underway	15
Test Valley Access Plan	TVBC0239	PM01	Penton Mewsey - C33 Weyhill Road to Charlton Road	Penton Mewsey - A342	Proposed off-road cycle route from the Weyhill Fair roundabout towards Ludgershall. This scheme will improve the safety and accessibility for pedestrians and cyclists (costs included in Appleshaw entry)	Walking & Cycling	Feasibility underway	0
Test Valley Access Plan	TVBC0240	PM02	Penton Mewsey	Penton Mewsey - C33 Weyhill Road to Charlton Road	Traffic calming along the C33 Weyhill to Charlton Road, in the interests of highway and pedestrian safety	Highway Scheme	Feasibility underway	15
Test Valley Access Plan	TVBC0241	RE01	Romsey Extra	Romsey Extra - Highwood Lane	Extend footway along Highwood Lane around the bend opposite Stroud School to link with footpath 15 to make circular walk	Walking	HCC Capital Programme 2013/14	20
Test Valley Access Plan	TVBC0242	RE02	Romsey Extra	Romsey Extra - Halterworth Lane	Extend footway along Halterworth Lane to link both Schools and improve safety and accessibility	Walking	To be Investigated	100
Test Valley Access Plan	TVBC0243	RE03	Romsey Extra	Romsey Extra - Crampmoor	Improve accessibility to the bus stops at Crampmoor by introducing a pedestrian refuge on Winchester Road.	Public & Community Transport	To be Investigated	30
Test Valley Access Plan	TVBC0244	RE04	Romsey Extra	Romsey Extra - Romsey to Ampfield Cycles	Provision of both on & off road cycle route parallel to the Straight Mile (A3090) forming part of Romsey – Ampfield cycleway	Cycling	To be Investigated	200
Test Valley Access Plan	TVBC0245	RE05	Romsey Extra	Romsey Extra - Timsbury	Provision of off road cycle route along Canal as part of the link between Romsey & Timsbury and on-road through Belbins and linking to Abbotswood	Cycling	To be Investigated	150
Test Valley Access Plan	TVBC0246	RE06	Romsey Extra	Romsey Extra - Wellow	Provision of off road cycle route from Romsey linking to Wellow	Cycling	To be Investigated	150
Test Valley Access Plan	TVBC0247	RE07	Romsey Extra	Romsey Extra - Romsey to Redbridge Cycleway	Provision of Romsey to Redbridge Cycleway	Cycling	Pre feasibility scoping	250
Test Valley Access Plan	TVBC0248	RE08	Romsey Waterways	Romsey Waterways	Development of access routes in conjunction with the emerging consultation document 'Enhancing Romseys Waterways, Issues and Opportunities'. Linking with the cycle route along the Canal	Cycling	To be Investigated	200
Test Valley Access Plan	TVBC0249	SB01	Shipton Bellinger	Shipton Bellinger - A338 Salisbury Road/Water Lane	A338 Salisbury Road/Watery Lane junction improvements to improve highway safety	Highway Scheme	Pre feasibility scoping	150
Test Valley Access Plan	TVBC0250	SE01	Sherfield English	Sherfield English - Melchett View	Improve footway alongside A27 and provision of pedestrian island to improve safety and accessibility from Melchett View to Village Hall	Highway Scheme	To be Investigated	25
Test Valley Access Plan	TVBC0251	SE02	Sherfield English	Sherfield English	Provide improved bus infrastructure including kerbs, shelters and hardstanding	Public & Community Transport	To be Investigated	50

Test Valley Access Plan	TVBC0252	SM01	Smannell	Smannell - Smannell Ridges Copse/Little London	Scheme required to upgrade the route formed by sections of footpaths 1 & 2 (Smannell to Ridges Copse/Little London) to create a through cycle route from Little London into Smannell to improve safety and accessibility	Walking & Cycling	To be Investigated	10
Test Valley Access Plan	TVBC0253	SM02	Smannell	Smannell - Smannell Road to Finkley Road	Continue the pedestrian route along Smannell Road to Finkley Road from the end of the SRTS scheme linking to the new development at East Anton	Walking	To be Investigated	50
Test Valley Access Plan	TVBC0254	SM03	Smannell	Smannell -	Improvements to permissive path from the School/PH The Oak direct to Woodhouse to improve access to Enham	Walking	To be Investigated	20
Test Valley Access Plan	TVBC0255	SM04	Smannell	Smannell - Footpaths	Improve gates and surfacing in the vicinity of footpaths 714, 717 and 756, to allow improved access	Walking	To be Investigated	10
Test Valley Access Plan	TVBC0256	SM05	Smannell	Smannell - (Confirm location)	Look at introducing a gateway entrance sign at the north end of the Parish	Highway Scheme	To be Investigated	10
Test Valley Access Plan	TVBC0257	SM07	Smannell	Smannell - Smannell Road	Investigate the provision of light coloured surfacing and speed signs on the road near School (speed management); verge works for pedestrian accessibility and improvement of sightline at junction	Highway Scheme	To be Investigated	20
Test Valley Access Plan	TVBC0258	ST01	Stockbridge	Stockbridge	Improvements to Stockbridge Bus Interchange as there is now a waiting time between services- 68, 77, 79 and 90 services	Public & Community Transport	HCC Capital Programme 2014/15	4
Test Valley Access Plan	TVBC0259	ST02	Stockbridge	Stockbridge High Street	Investigate provision of traffic calming and car parking in the High Street to improve safety and accessibility	Highway Scheme	To be Investigated	300
Test Valley Access Plan	TVBC0261	TA01	Tangley	Tangley - Hatherden village	Look at implementing speed reduction measures through Hatherden village, adjacent to the school to improve highway and pedestrian safety.	Highway Scheme	To be Investigated	30
