  - Other 0.6% (333,100)

94.6% of this area's resident population are 'White - British'. Those in other ethnic groups account for 5.3%. The ethnic group 'White Other' accounts for 2.0% including White Irish individuals, amongst others. The Asian ethnic group accounts for 14% encompassing Indian ethnicity, with others.

**Language (Non-English)**

- Fareham & Gosport
  - People with English as a main language - 98.3% (184,500)
  - Households without English as a main language - 0.7% (600)

- South East
  - People with English as a main language - 94.2% (7,832,400)
  - Households without English as a main language - 3.1% (109,000)

- England & Wales
  - People with English as a main language - 92.3% (49,808,200)
  - Households without English as a main language - 4.3% (1,002,100)

In this area 98.3% of people (aged 3+) state that English is their 'main language'. Other than English, Polish (0.3%) is the next most common main language in this CCG. However 0.7% of all households are shown to contain no individuals with English as a main language.

Published by Research and Intelligence August 2016
94.2% of this area's population were born in the UK. At 2.8% Europe is the next largest, the Middle East and Asia follows at 1.4% Africa accounts for 0.9% whilst the Americas & Caribbean account for 0.5% Antarctica and Oceania are the birth place of 0.2% of the population within this CCG.

Christianity is the largest religion in this area at 61.7% Muslim (Islam) and Other are the next biggest religions at 0.5% followed by Hinduism at 0.3% A large percentage said that they had no religion (29.7%), whilst 7.0% did not state any religion at all.

52.1% of the CCG's adult population are married compared with 49.3% of the South East's and 46.6% of the national population. Conversely fewer are single (27.4%) when compared to either the South East (31.9%) or the country as a whole (34.6%). Following the Civil Partnership Act of 2004, civil partnerships are now included and account for 0.2%.
In this area, 83.1% of the population state that their daily activities are 'not limited' by a long term illness or disability whilst 9.7% are 'limited a little' and 7.2% are limited a lot by their illness or disability. The levels suggest the CCG has slightly better self defined disability levels than the country as a whole but less good that the South East as a whole.

Self defined general health, as well as long term limiting illness and disability tend to suggest levels of good health in the CCG are below those seen across the region as a whole but a little better than the national picture. However, more than 80% still report good or very good health.
Gypsy / Traveller Population

The data collected by the 2011 Census estimates that across Hampshire there are 2,100 individuals who state having a Gypsy/Irish Traveller ethnicity.

According to this data Fareham and Gosport CCG (the area highlighted in pink on the map) is estimated to be home to 100 Gypsy/Irish Travellers.

Notes: 1 - White British includes those describing their ethnicity as English, Welsh, Scottish, Northern Irish or British. 2 - Marital and Civil Partnership status refers to the population aged 16 and over. 3 - A long term health problem or disability is one that limits a person’s day-to-day activities and has lasted, or is expected to last at least 12 months, including problems related to old age. 4 - General health is a self-assessment of a person’s general state of health. People were asked whether their health was very good, good, fair, bad or very bad. This is not based on a person’s health over any specified period of time. 5 - Language data refers to the population aged over 3 years.

Data for some Protected Characteristics - gender reassignment, sexual orientation, pregnancy and maternity are not included in the 2011 Census. Hampshire in this factsheet refers to the combined administrative region of Hampshire County, Portsmouth and Southampton.
