

OUR RECIPE

Berry Coulis

Serves 8

INGREDIENTS

200g blackberries

100g raspberries

100g golden caster sugar

Store covered in the fridge for 3-5 days.

METHOD

1. Place your chosen berries with the sugar in a saucepan.
2. Simmer over a medium heat, stirring continuously.
3. Crush the berries with the back of the spoon as you stir, until the sugar has dissolved and the berry mixture resembles a sauce.
4. Taste, add more sugar if berries are too sharp in flavour.
5. Once desired flavour is achieved, strain through a sieve, then chill until serving.

Serving suggestion- enjoy with our yoghurt pancakes or as a dipping sauce for our tortilla cinnamon bites.
