

River Hamble Harbour Authority: Application for Harbour Works Consent

	APPLICANT	AGENT
Name:		
Organisation:		
Address:		
Tel:		
Email:		
Date:		

The exact wording provided in the table below will be posted on the Harbour Authority's website

Project Title:
Location: (e.g. name of property, boatyard, mooring pile number or National Grid Reference)
Project Description:
Proposed Construction Date: (if unknown, indicate month/season as far as possible)

Information Supplied: (please list plans, method statement & other documents forming your application)

NB. Information you supply will be made available for public consultation via the Harbour Authority's website. Any persons wishing to access your application must agree to the copyright notice on the website before they can access your plans and documents. RHHA will have one hard copy, supplied by you, available in the office for public viewing. If further hard copies are required, we will redirect the request to you.

Other permissions for this project applied for to date: (e.g. Marine Licence, Planning Permission, Environment Agency Flood Defence Consent)

Please return to the Harbour Office when completed.
