Update for care providers

23 June 2020

Coronavirus (COVID-19) Care homes and COVID-19 advice and best practice

Dear Provider

The Social Care Institute for Excellence (SCIE) website offers [guidance, resources and best practice advice for care homes and care staff during the coronavirus \(COVID-19\) pandemic](#), which care home providers may find useful. This includes COVID-19 guides for topics such as dementia, autism and learning disabilities, and safeguarding adults, as well as webinars and a directory of resources and best practice.
