

Discover support for your child and family

Did you know there is a free website where you can find trusted information, services and support for your child?

The Hampshire SEND Local Offer and Family Information and Services Hub (FISH) bring together everything in one place for children and young people aged 0 to 25 (and their families).

What can you find?

Whether you need advice, support or activities, you can explore:

- Special Educational Needs and Disabilities (SEND) support
- Education and Education, Health and Care Plan (EHCP) information
- Mental health and wellbeing services
- Neurodiversity support (for example autism and ADHD)
- Preparing for adulthood and transitions
- Financial help and short breaks
- Local activities, clubs, childcare and holiday schemes

Why use it?

The Local Offer and FISH are designed to make life easier for families:

- All the information you need in one place
- Quick access to trusted local services and activities

- Helps you understand your options and next steps
- Saves time searching online

How to access

You can explore the Local Offer and FISH online at any time using your phone, tablet or computer.

[Family Information and Services Hub \(FISH\)](https://connecttosupporthampshire.org.uk) –
connecttosupporthampshire.org.uk (select 'Family information and services hub')

Share your views

You can also give feedback through the Local Offer to help improve services for families across Hampshire.

Working with our school

We are working with Hampshire County Council to make sure all families know where to find the right support, at the right time.

Take a look today – you might be surprised by what's available near you.
