How to play?

Add a ☒ to the statements you agree with and a ☐ to the ones you disagree with

How do you feel in your EHCP annual review meetings?

People listen to what I say in meetings	I have enough time to speak	Adults ask me what I think	I feel comfortable sharing my views
I know I can say if I disagree	I understand what is happening in meetings	Things are explained in a way I get	I know what my EHCP says about me
I see changes happen after meetings	Adults explain what will happen next	What I say makes a difference	I don't always feel comfortable speaking up
