

Celebrating Difference

Every child is unique. Discover information, support and resources to help your child thrive.

Are you looking for information, advice or support to better understand your child's needs?

The Hampshire Special Educational Needs and Disabilities (SEND)

Local Offer and Family Information and Services Hub (FISH) provide easy access to information, services and support for families.

Whether you're looking for practical advice, local services or ways to celebrate your child's strengths, you'll find a wide range of resources to help.

Families can find:

- Information about specific conditions or needs (for example autism or ADHD)
- A range of information and support strategies to support neurodiverse children
- Local support groups and organisations
- Advice to help you understand and support your child

💡 Connect to Support Hampshire is regularly updated, so it's a great place to check for new services and support.

Explore what's available locally and find support that works for your family.
