Most people that responded said they go to Google to find information they need

most people that respionded said they prefer to get their information online

We did:...

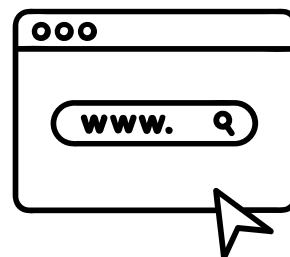

We have asked Schools to think about how they can promote the Connect to Support website with their students.

We have asked to be involved in events promoting what support is available to make sure they are young people friendly.

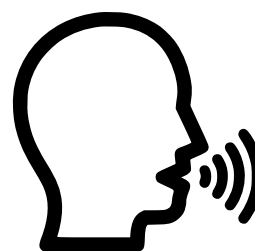

We have shared our feedback with the team at Hampshire County Councils whose job it is to keep the Connect to Support website up to date.

Quick Question Corner Issue Two - Your Voice in your EHCP

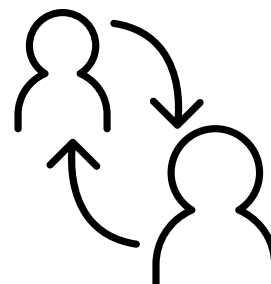

In this issues Quick Question Corner we would like to know more about how your voice is heard in your Education and Health Care Plan (EHCP).

This feedback will help us let adults working with young people how they can improve in making sure young people are involved in and understand their EHCP.

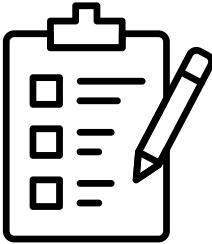

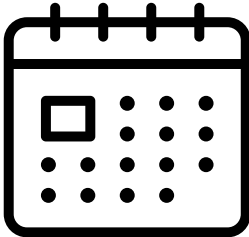

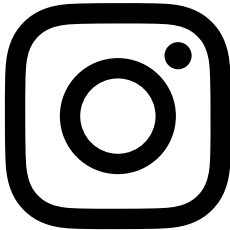

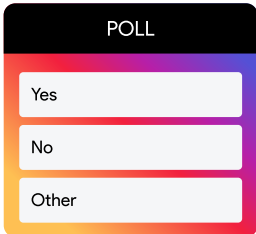

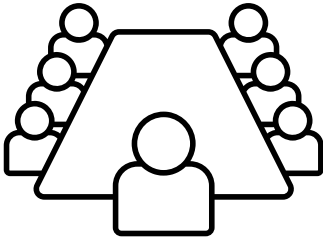

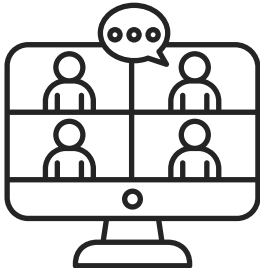

There are a few ways for you to get involved in sharing your feedback:
