

## I Spy with my Caterpillar Eye

Charlotte the Caterpillar is looking for a nice green leaf to eat, but she's spotted some other things on the way! Can you help her figure out what each object is? The answers are in the box below – match them up with the pictures!

### Answers

-  Daisy centre
-  Forget-me-not
-  Pond snail
-  Seeds forming in a dandelion
-  Leaf skeleton
-  Honeysuckle pollen
-  Shepherd's Purse seeds
-  Seeds forming in a dandelion
