

Independently Sourced First Aid Training

If you require First Aid training for you/your staff please note that you should ensure any training provider you contact will be able to meet the requirements for First Aid as set out in the Statutory Framework for the Early Years Foundation Stage (Sept 2017)

Settings contacting/using any of the training providers identified below do so at their own risk - this list only identifies training providers able to deliver Paediatric First Aid it does not guarantee quality or reliability. Settings should ensure they clarify and are happy with costs, course delivery and certification before agreeing to and entering into any contract

This list is not monitored and contact details for providers may have changed. We take no responsibility for out of date contact details.
