

September 2018 admissions data - Year 3

Abbreviations used:

PAN - Published Admission Number

SEN - Special Educational Needs

EHCP - Education, Health and Care Plan

The tables below shows the published admission number (PAN) for entry to Year 3 in September 2018 at each junior school in Hampshire, the total number of applications received (first, second and third preference) and the number of places offered on the national notification date (16 April 2018). The 'Allocated' column refers to children who were unsuccessful in gaining a place at any of their preferred schools and were offered a place at the school by the local authority because it was their catchment school or nearest school with a place available.

Hampshire County Council is the admission authority for all community and voluntary controlled junior schools and a breakdown of the number of places offered, by admission criteria, is also provided for these schools. For oversubscribed schools, the distance of the last child offered a place (measured in miles as a straight line) is shown. Information about the breakdown of places at other schools (Academies, Foundation, Aided and Trust schools), should be obtained from the school directly.

Some of Hampshire County Council's junior schools are federated with their linked infant school. Federation is defined in law as two or more maintained schools operating under the governance of a single governing body. Hampshire's admissions policy for junior schools that are federated with their linked infant school gives priority to children attending the linked infant school, to reflect this special arrangement. The offer day snapshot for federated junior schools is listed separately, below. Each school's admission policy sets out how places are allocated when there are more applications than places available. You can view the admission policy for any school by visiting their school details page at: www.hants.gov.uk/educationandlearning/findaschool.
