### Hampshire-wide

Organisation	Project Summary	Awarded
Citizens Advice	The funding is to provide Citizens Advice Hampshire with the capacity to provide access to emergency support for individuals and families across Hampshire who are struggling as a result of the sharp rise in cost of living where the demand for support has escalated since January. Local Citizens Advice are attending weekly outreach sessions across Hampshire to provide food and energy vouchers and grants for heating repairs, white goods, furniture, clothing, rent arrears and other essential support.	£50,000

Citizens Advice East Hampshire	Additional funding to Citizens Advice Service to provide emergency financial support to 400 vulnerable households across Hampshire with fuel bills over the winter period.	£60,000
Home-Start	The charity supports families dealing with a range of challenging circumstances. They provide volunteer-led support to families with young children on a 1:1 basis in their own homes. The funding will contribute to a discretionary hardship fund to provide practical assistance in the form of food and energy vouchers, essential hygiene supplies, warm clothes and bedding for 228 families across Hampshire.	£30,000
UK Harvest Delivery Service	The grant will enable the purchase of fresh food to supplement the stock of rescued and donated food delivered to communities through the winter. This will make the food packs more nutritiously rounded for the 1,900 families served across Hampshire by the organisation.	£5,000

### Basingstoke & Deane

Organisation	Project Summary	Awarded
Basingstoke Discovery Centre	The funding will enable the library to fund their Books and Brunch scheme, supplying a weekly 'brunch bag' and selection of library books for children ages 5-11. To provide support both with children's literacy and child food poverty in the Basingstoke area.	£480
