

EXPEDITION

1.2 Countryside Code

Aim: To increase awareness of the Countryside Code.

Resources: Sets of cards with each part of the Country Code in writing and picture form. The cards could be made from photos.

Plan:

Timing	Section	Activity
20 Minutes	Group activity	Place all cards face down on a table, each group member turns two cards over trying to match the words and pictures of each section of the Code, if they make a pair the member collects these as points.
10 minutes	Group Discussion	Discuss further various points covered during the exercise, perhaps draw up the groups guide to campsite/tent erection etc.
Variations		<p>Use the cards as checklists along walks.</p> <p>Use the cards to prompt discussion along walks of good and/or bad practice observed.</p> <p>Could be used on OHP or slides.</p>
