To the person seeing the expedition presentation

Thank you for seeing this participants presentation following their DofE expedition. This is an important opportunity for the participants to evaluate their experiences on their DofE expedition. The presentation should bring the expedition aim to life and be more than just a report of the project.

What to include in a presentation report:

Please write about how the individual gave their presentation and what contribution they made. This can include the choice of style of the presentation, their self-confidence, how enjoyable it was, whether the expedition aim was fully explored, how they overcame any problems or obstacles they may have faced along the way... and how much fun they had! Please remember to keep your comments personal, positive and encouraging. Thank you for supporting young people with their DofE activities.
