Foster carer annual review

Foster carer(s) comments

Fostering Services Regulations 2011

Regulation 28:
The purpose of a review is to consider whether the foster carer continues to be suitable to foster children, that their household remains suitable and that the terms of their approval are still appropriate.

Foster carer name(s):		Swift number:	
Address:			

Please help us to review with you, how your last year as a foster carer has been by completing this form.

Please add any comments you feel it important for us to hear.

---

1. What has gone well in your last year of fostering?

2. What has given you the most satisfaction?

3. What challenges or difficulties have you encountered in the last year?

4. What action was taken?

5. What learning and development do you feel came out of this?

Supervision and support

6. Where and who do you get support from?

7. Please tell us about anything that you think could help you to feel better supported.

Working as part of a team

8. Please comment on your working relationship with the Children's Services Department, including with your Family Placement Social Worker.

9. Please comment on how able you feel to contribute to meetings, reviews, supervision etc.

Personal development plan

10. What evidence do you have of training, learning and development over the last year? Please list:

11. How has this helped you to better contribute to positive outcomes for children?

12. What skills & knowledge do you need to develop in the next year? (in discussion with your Family Placement Social Worker).

13. How can this be achieved?

Changes

14. Please tell us about any changes in your household since your last foster carer annual review.

15. Any other comments or things you would like us to know?
