

# HIAS Design & Technology Training Catalogue

Autumn 2021

# Our Autumn term Primary Design & Technology offer

## Enhancing Skills and Knowledge in the Primary Design and Technology Curriculum

Participants will learn a wide range of new skills and processes across all areas of the primary art curriculum, try out new projects in the classroom and share outcomes. This training will be delivered over four full days

	Starts 15 Sep 21		9:00-15:30
	Sub £695 / SLA £575 / Full £834		
	<b>Enhancing design</b>		

## Primary Design and Technology Conference Key Stages 1 and 2

This conference is designed for all primary design and technology co-ordinators. The day will include presentations from inspectors and leading D&T practitioners and hands-on practical activities. Delegates will be able to support and develop higher quality teaching and learning of design and technology within their schools.

	12 Oct 21		9:30-15:30
	Sub £250 / SLA £175 / Full £300		
	<b>Primary Design Conference</b>		

## Primary STEM Themes Workshop (Webinar)

A twilight virtual session designed for primary teachers to be practical, fun and inspiring to increase engagement in science, technology, engineering and maths. Find out how enthuse learners to increase uptake in the STEM subjects at a higher level and raise attainment.

	19 Oct 21		16:00-17:30
	Sub £150 / SLA £135 / Full £180		
	<b>Primary STEM</b>		

## Autumn 21-22 Design and Technology Support Group Workshop (Webinar)

A twilight termly workshop offering a valuable opportunity for teachers to participate in practical activities and meet other teachers to share ideas and thoughts about design and technology in the classroom. Participants will gain inspiration and ideas for different starting points and projects for all year groups across the primary age range.

	5 Oct 21		16:00-17:30
	Sub £115 / SLA £110 / Full £138		
	<b>Autumn design support</b>		

## Exploring the Work of Other Designers in Primary Design and Technology (Webinar)

This one day training session will provide participants with knowledge of how to meet the National Curriculum requirement that children at primary school learn about great artists, architects, craft makers and designers.

	21 Oct 21		9:30-15:30
	Sub £180 / SLA £145 / Full £216		
	<b>Exploring design</b>		

## Level 1 Food Safety Training - Introductory Certificate (Webinar)

This one-day course will help you understand more about the importance of good food preparation. Delegates will learn about training and cooking practices such as keeping yourself and your work area clean and hygienic, how food becomes contaminated and steps to reduce this.

	15 Nov 21		9:30-15:30
	Sub £145 / SLA £110 / Full £174		
	<b>Level 1 food</b>		

## Level 2 Food Safety Training - Foundation Certificate (Webinar)

This one-day course reinforces the importance of food safety and provides learners with an understanding of how to identify and control food safety hazards in their own workplace.

11 Nov 21

9:30-15:30

Sub £145 / SLA £110 / Full £174

**Level 2 food foundation**

## Supporting pupils with SEND in Design and Technology in Primary School (Webinar)

A half day webinar giving practical guidance on how you might advise teachers when planning to support children with special educational needs in design and technology.

16 Nov 21

9:30-12:30

Sub £210 / SLA £180 / Full £252

**SEND design**

## Planning, Progression and Assessment in Primary Design and Technology (Webinar)

Practical guidance to provide the necessary background information and possible strategies to enable subject leaders in design and technology to make appropriate assessment, recording and reporting arrangements for their own schools.

22 Nov 21

9:30-12:30

Sub £115 / SLA £90 / Full £138

**Progression design**

## Being a Design and Technology Subject Lead in the Primary School 21-22 (Webinar)

This one-day course will give new and aspiring Design and Technology subject co-ordinators confidence in leading and managing their subject.

25 Nov 21

9:30-16:00

Sub £180 / SLA £145 / Full £216

**Design subject lead**

## Essential Health and Safety for delivering Primary Design and Technology (Webinar)

A full day course to prepare teachers and Primary D&T subject co-ordinators to meet the requirements of Health and Safety Training Standards in Design and Technology - Primary Level Training Standards

1 Dec 21

9:30-16:00

Sub £180 / SLA £145 / Full £216

**Essential health design**

# Our Autumn Term Secondary Design and Technology offer

## Level 1 Food Safety Training - Introductory Certificate (Webinar)

This one-day course will help you understand more about the importance of good food preparation. Delegates will learn about training and cooking practices such as keeping yourself and your work area clean and hygienic, how food becomes contaminated and steps to reduce this.

	15 Nov 21		9:30-15:30
	Sub £145 / SLA £110 / Full £174		
	<b>Level 1 food</b>		

## Level 2 Food Safety Training - Foundation Certificate (Webinar)

This one-day course reinforces the importance of food safety and provides learners with an understanding of how to identify and control food safety hazards in their own workplace.

	11 Nov 21		9:30-15:30
	Sub £145 / SLA £110 / Full £174		
	<b>Level 2 food foundation</b>		

## Autumn 21-22 Secondary Technology Network (Webinar)

This twilight network will enable participants to share practice and standards in KS3/4 Design and Technology

(including Food) and will act as a forum for the subject area.

These sessions are run termly.

	17 Nov 21		16:00-17:30
	Sub £60 / SLA £45 / Full £72		
	<b>Autumn technology</b>		

## How to book

All training can be booked via our **Learning Zone**.

To search for a specific course, type the keywords provided in the 'Find Learning' box, then click 'See Classes' for details of available dates and times.
