

***Living Difference III* – purchase of licence**

As stated in the accompanying leaflet, *Living Difference III* is the legal document to be followed for the teaching of religious education in Hampshire, Portsmouth, Southampton and Isle of Wight schools. Converter academies, multi-academy trusts (MATs) and free schools in these areas are welcome to use this syllabus; it meets all legal requirements for religious education. MATs with any schools outside of these areas will need to apply for a licence to use it in their schools.

Other local authorities, MATs and individual schools that wish to adopt this syllabus will need to obtain a licence. The cost of the minimum induction package required is given in the table below, up to a maximum of 25 teachers per course. If more teachers are involved it may be desirable to augment this minimum requirement and a bespoke package can be designed to fit the needs of a particular school or group of schools.

The costs given below are on a sliding scale depending on the number of schools involved.
