EASY-TO-MAKE...

STAR OF DAVID DECORATION

A traditional decoration for Hanukkah or Christmas

You will need:

- 6 x lollipop sticks
- Glitter
- Paints (optional)
- Ribbon
- Sequins or gems (optional)

Other things you'll need:

- Glue and scissors

How to make it:

- 1 Glue three lollipop sticks together to make a triangle. Do the same with the remaining three lollipop sticks. Set aside to dry.
- 2 Now glue the two triangles together in a star of David shape as shown in the diagram below. Allow the glue to dry.
- 3 Paint the star in a colourful colour or cover it completely in glue and then glitter. Allow one side to dry before decorating the other side. You can also add sequins or other shiny embellishments if you want.
- 4 Finish by tying on a ribbon so the decoration can be hung up.
