#### 1. The decision:

- 1.1. That the Director of Adult Services in consultation with the Executive Member grant approval for the utilisation of the option to extend the Preferred Panel of Domiciliary Care Providers (PPP) by a further six months with a maximum contract value of up to £11million. This is in line with recommendation 6.2 of the Executive Member report approved on the 29 July 2015.

#### 2. Reason for the decision:

- 2.1. During the period of on-going transition to the Care at Home Framework, continuity of care to individuals is key. An extension to the PPP will form part of a risk management approach, which will ensure continuity of care, as transition to the Care at Home framework continues. It will be used as needed and in negotiation with providers

#### 3. Other options considered and rejected:

- 3.1. No other options were considered – this option supports continuity of care for individuals and transition to care at home.

#### 4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None
- 4.2. Conflicts of interest declared by other Executive Members consulted: Not applicable

#### 5. Dispensation granted by the Head of Paid Service: none
