Currently the school PAN is 15 for Reception age children and Years 1 and 2. It is proposed by the Governing Body that the school's PAN for each year group Reception through Years 1 – 6 be 12, giving an overall capacity of 84 pupils. The change to PAN would be undertaken following Primary Status decision and take effect September 2014.

- (c) where it is intended that proposals should be implemented in stages, the number of pupils to be admitted to the school in the first school year in which each stage will have been implemented;

It is intended by the Governing Body that the implementation to full primary status would be phased – e.g. admitting Y3 pupils in September 2013 and subsequent years. However, the Governing Body is fully committed to admitting any child up to a PAN of 12 into each of the seven primary year groups with effect from September 1st 2013.

- (d) where the number of pupils in any relevant age group is lower than the indicated admission number for that relevant age group a statement to this effect and details of the indicated admission number in question.

In order to be able to cater for pupils for the seven year groups Reception through to Year 6 inclusively, it is proposed that the PAN be changed from 15 to 12, with effect from the September 1st 2014 admission year and subsequent academic years.

(2) Where the alteration is an alteration falling within any of paragraphs 1, 2, 9, 12 and 13 of Schedule 2 (GB proposals) /paragraphs 1, 2, 8, 18 and 19 of Schedule 4 (LA proposals) to The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended), a statement of the number of pupils at the school at the time of the publication of the proposals.

Objectives

10. The objectives of the proposals.

In order to be able to better serve the school's catchment area of Froxfield and Privett, the school is proposing to revert back to its former primary status, this having been lifted in 1966. Currently parents at the school have no designated junior or primary schools that they are able to send their children to when they enter Y3. As a consequence the school 'loses' a lot of children during Years 1 and 2 as when places become available in neighbouring schools. Typically an initial intake into Reception can be halved or even become lower than that by the time children are in Year 2.

Due to more primary age children in the locality, parents are experiencing increasing difficulties in securing places for their children in Year 3 in local Primary schools and this leads to a great deal of anxiety and difficulty at this early stage of young children's education.

- (a) a statement and supporting evidence of the need or demand for the particular places in the area;

Within the consultation questionnaires 108 of the 116 respondents were overwhelmingly in favour of the school returning to its primary status. It has long been a matter of concern that the school had its primary status removed to become an Infant school in 1966. Parents are finding it increasingly difficult to secure places for their children in Year 3. Some no longer send their children to Froxfield School at all, but with regret choose the private sector from the beginning of their child's education, due to the problems securing places in Year 3. Other parents have had to send their children to different schools for their junior years – again due to the difficulty of securing places.

There is and has been a clear demand for places in Reception at Froxfield Infants in recent history – September 2012 reception 17 first choice places made, 15 pupils admitted in YR in
