Subject: Village Green application - Chilworth

Dear Sylvia

I refer to my correspondence and telephone conversations with you and other Hampshire County Council officers last year. I am happy for you to record that I wish to withdraw the Village Green application which I made in a personal and private capacity but with the written support of a large number of residents. The Parish Council, of which I am a member, has reached an agreement with the landowners under which it has purchased the land. This purchase with its attendant covenant for use of the area as Public Open Space provides for the continued use of the area as a local amenity and I am therefore satisfied currently with the outcome for the local community.

I also confirm that the area which you have shown on the map for the Village Green application is the area which is shown on the Land Registry documentation as having been purchased by the Parish Council.

Regards
Alison
