

REPORT OF THE
Executive Member for Adult Social Care
PART II

330. EXTRA-CARE HOUSING TENDERING AND PROCUREMENT

1. On 26 October 2012, the Executive Member for Adult Social Care approved proposals to go out to tender for care and support for Enhanced Extra Care Housing at Danemark Court and Matilda Place in Winchester.

2. For individuals it provides a safe environment in which to remain independent for as long as they are able. It enables couples to remain together, when one of them develops greater care needs, it provides them security of tenure through tenancy agreement, increases their financial autonomy and enables them to remain part of their local community.

3. The proposals support the ongoing commitment Adult Social Care have in improving and expanding the Extra Care scheme, and this inclusion will add an additional 55 units to the planned provision proposed in 2007. It also marks the completion of Phase 1 of the Extra Care programme.
