1. The decision:

- a) That the Chief Executive develops a macro County-wide approach to the transformational themes in paragraph 3.2 and the next steps in paragraph 5.1 of the report and report on a quarterly basis to Cabinet on progress and issues.
- b) That the Cabinet receive a report on external competitors in relation to County Council service areas.

2. Reason(s) for the decision:

- 2.1. Cabinet have received regular reports, usually on a monthly basis, on the Cost Reduction, Efficiency and Transformation programme. This report begins to look beyond the current financial issues and to how the transformation of services can be delivered across the Council and beyond 2012. Using the current programme management approach, which has been successful in coordinating and delivering Council wide performance, there are several themes and strands of work that could be considered.
- 2.2. Now is the time to build on the emerging financial platform and to embed a series of transformational processes that increase the probability of the Council being effective, successful and able to provide sustainable public services for children through to adults, with different levels of achievement and vulnerability, in a safe and prosperous Hampshire.

3. Other options considered and rejected:

- 3.1. None

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: Not applicable
- 4.2. Conflicts of interest declared by other Executive Members consulted: Not applicable

5. Dispensation granted by the Standards Committee: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
