FUNDING CRITERIA FOR THE POLICY AND RESOURCES GRANTS

The following criteria should be taken into consideration when preparing a submission for funding. They are intended as guidelines and not prescriptive rules

1. Assistance will be considered only in response to direct applications from properly constituted organisations seeking assistance. You must show in your application that your organisation is properly and legally organised and has its own bank account.
2. Where appropriate, applications will be referred to the relevant service department (e.g. Adult Services, Culture, Communities and Rural Affairs, Children's Services, etc) for consideration.
3. Preference will be given to applications for specific projects or activities rather than general running costs of organisations. These grants are not intended to replace shortfalls in service delivery budgets or replace funding for other support you may be able to obtain, or that you have obtained from us in the past.
4. Grants will not usually be made in respect of applications from the following:-
 - District or Parish Councils
 - Government Institutions
 - Schools
 - Overseas and out of County organisations which have no direct Hampshire involvement
 - Branches or organisations assisted centrally with a sum from the County Council
 - Bodies requesting funds for onward distribution to other charities e.g. mayoral appeals, carnivals, fetes, or for their own fundraising events.
5. Applications will not be accepted from political parties or groups affiliated with a political party or from lobbying/campaigning organisations.
6. Applications will only be considered from faith groups who can demonstrate their facilities are open and used by the local community other than for church related activities.
7. Requests may be considered from County wide groups (e.g. Guides, Scouts, Hampshire County Youth Orchestra) for specific trips, e.g. for an international jamboree or cultural tour. Individual requests will not usually be considered.
8. Where possible self-help within organisations should be encouraged and to this end, grants are normally a percentage of the sum required to complete the project.
9. As a general rule, grants in excess of £5,000 will not be awarded.
10. In general only award grants to projects which are taking place in the same year as application for funds.
