1. The decision:

1.1 That the positive progress to date be noted and Cabinet acknowledges the scale of the challenge facing the Council and the associated risks, and keeps progress under regular review.

2. Reason(s) for the decision:

2.1 Following Cabinet's approval of a programme of efficiencies and expenditure reductions on 26 July 2010, the report gives an update on the workstreams and other transformational work including financial information.

3. Other options considered and rejected:

3.1 Taking no action. This is not considered a viable option, in light of the government's announcement regarding grant reductions. Therefore, taking the opportunity to undertake some transformational work to reposition the organisation in a way that best protects and develops public services for the people of Hampshire is considered to be the best option.
