1. The decision:

- a) That the list of local transport schemes for Basingstoke and Deane Borough be approved and that it forms part of the Area Transport Strategy.
- b) That authority be delegated to the Director of Economy, Transport and Environment for the future management of the transport scheme lists in consultation with the Executive Member for Environment and Transport.

2. Reason for the decision:

- 2.1. By seeking approval for the Basingstoke and Deane Borough Council Transport Contributions List this adds support to the schemes listed and also confirms the link to the aims and objectives of the Local Transport Plan 3.

3. Other options considered and rejected:

- 3.1. Not seeking approval for the schemes included on the list would mean that they would not have the support of the Executive Member for Environment and Transport. This could potentially weaken the support for the schemes when scrutinised in negotiations and at appeal.

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None.
- 4.2. Conflicts of interest declared by other Executive Members consulted: None.

5. Dispensation granted by the Standards Committee: none.
6. Reason(s) for the matter being dealt with if urgent: not applicable.
