**1. The decision:**

- a) That the Project Appraisal for Accessibility Improvements to Victoria Road, Aldershot, at a cost of £402,000, be approved, subject to the use of materials being confirmed by the Director of Economy, Transport and Environment.

**2. Reason for the decision:**

- 2.1. The scheme was derived from the work undertaken in the production of the Aldershot Town Access Plan. The main aim of the scheme is to improve pedestrian facilities/accessibility, improve the feeling of personal safety, reduce congestion and improve public transport facilities/journey times.

**3. Other options considered and rejected:**

- 3.1. A scheme was considered to enhance existing bus/taxi/shared facilities along Victoria Road with the retention of the current traffic flow/movements along this road. However, it was considered that this would not achieve the target of reducing congestion and would not improve the feel of safety for pedestrians. This option was also rejected by the public through the initial consultation exercise.

**4. Conflicts of interest:**

- 4.1. Conflicts of interest declared by the decision-maker: None.

- 4.2. Conflicts of interest declared by other Executive Members consulted: None.

5. Dispensation granted by the Standards Committee: none.
6. Reason(s) for the matter being dealt with if urgent: not applicable.
