1. The decision:

- 1.1 That the Executive Member for Communities and International Relations approves a sum of £10,000 to East Hampshire District Council on behalf of the East Hampshire Local Strategic Partnership (LSP) for project work from the East Central Hampshire Action Team Community Budget 2010/11 only, with no expectation of funding for future years.

2. Reason(s) for the decision:

- 2.1 The proposal is to support three projects with the funding. In May 2010 the East Hampshire Community Partnership agreed on three priorities that they wanted to focus on for the following 12 months, these were Older People, Younger People and Health. The EHCP then invited all of its sub-groups to submit project applications to help deliver these priorities. 6 project applications were received and on 12 July 2010 the Steering Group approved 3 projects totalling £15,000.
- 2.2 All three projects meet the first HAT priority; To tackle economic, social and health inequalities in the local area, particularly tackling the social and health inequalities. Physical activity is a huge part of all the projects which help to tackle health inequalities. All three projects encourage team working and building relationships with new people, they also encourage different age groups and different social groups to work together, helping to tackle social inequalities.
