Details of the Bid / Project

Title of Bid/ Project	Leesland Park Social Seating
Summary of Bid/ Project	Subject to successful application our project involves the purchase of a number of park benches to be installed at various locations throughout Leesland Park. The installation of further seating will we believe encourage greater use of the park and its facilities by local residents, their families and friends.

<p>How does the Bid meet the HATs Term of Reference?</p> <p>1) To tackle economic, social and health inequalities in the local area</p> <p>2) To support the delivery of Hampshire's improvement priorities within the Hampshire Local Area Agreement*</p> <p>3) To support local highways and transport priorities**</p>	<p>1) In these financially difficult times it is important that facilities like Leesland Park are developed and made available to all. A successful bid for seating will we believe lead to more people using the park for recreational and social purposes. This in turn helping with child obesity and adult health and wellbeing issues. Having somewhere to sit in safety and comfort while accessing the park and its facilities remains an important aspect of our development plans.</p> <p>2) The Friends of Leesland Park have a longstanding and good relationship with Gosport Borough Council, the parks owner. We have worked with them on a number of projects designed to improve the park and its facilities. In the course of this application we have liaised with several departments in order to reach a final agreement, which incorporates the use of recycled materials and will we believe assist in the improvement of community engagement.</p>
<p>Timescale (What is the anticipated period over which the money will be spent?)</p>	<p>Commencement Date: ASAP (FoLP to liaise with GBC immediately confirmation of grant received)</p> <p>Completion Date: Spring 2011</p>
<p>Intended Outcomes (How will the success of the bid/project be measured?)</p>	<p>The most obvious conclusion will be the completion of the installation process. We anticipate feedback from various sectors and observation of use will further identify the success of the project.</p>
<p>Future Funding Arrangements (If the project is to last more than a year how will it be funded in subsequent years? How will any outcomes achieved by the project be sustained in the longer term? If it is a capital scheme how will the equipment be maintained?)</p>	<p>Not applicable</p>

* Further information on the LAA can be found at the following website - <http://www3.hants.gov.uk/localareaagreement.htm>

** Any approved bids for highways/transport projects will require liaison with the Executive Member for Environment.
