#### 1. The decision:

- a) That the draft strategy for Hampshire's Registration Service from 2012 to 2017 be approved.
- b) That the commencement of a phased targeted public consultation (as appropriate to the potential impact on local residents and the proposed timing of the change) on the proposed future configuration of services be endorsed.

#### 2. Reason(s) for the decision:

- 2.1. The strategy ensures high quality service provision and long term value for money for Hampshire residents, whilst supporting the corporate strategic priorities of maximising wellbeing and enhancing our quality of place. It also provides a platform for the ongoing modernisation of the registration service including the ability to respond to legislative change.
- 2.2. A key element of the strategy is to make best use of county council buildings and configure services in line with utilisation, integrating with the 'Workstyle' programme.
- 2.3. Where services are to be relocated, suitable alternative accommodation has been or will be sought to ensure like for like or improved service provision for the public.

#### 3. Other options considered and rejected:

- 3.1. Continue to provide services in the current configuration accepting that they are under utilised and do not represent value for money.
- 3.2. Reduce the range of services provided to focus primarily on statutory provision.

3.3. Concentrate services in 5 main 'hub' offices, with no 'satellite' provision.
