#### 1. The decision:

- a) That the Project Appraisal for the implementation of accessibility improvements, costing £382,000, on Bramley Lane, Bramley, near the primary school, be approved.

#### 2. Reasons for the decision:

- 2.1. The approval of the implementation of this scheme will result in improvements to the accessibility to the local primary school. The improvements consist of new sections of footway, a new lay-by for dropping off/collecting children from the school, and providing off road parking in the evening for local residents and new landscaping within the existing grassed island.
- 2.2. These improvements are in line with The County Council's corporate strategy key priority of making Hampshire safer and more secure for all.

#### 3. Other options considered and rejected:

- 3.1. The only alternative option investigated involved a different location for the lay-by within the large central grassed island between Bramley Lane and Moat Close. It was considered that the preferred position of the lay-by offers the safest and best location in terms of its operation in relation to the school.

#### 4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None
- 4.2. Conflicts of interest declared by other Executive Members consulted: None

5. Dispensation granted by the Conduct Advisory Panel: none.
6. Reason(s) for the matter being dealt with if urgent: not applicable.
7. Statement from the Decision Maker:

<b>Approved by:</b>  ----- <b>Executive Member for Environment and Transport Councillor M J Kendal</b>	<b>Date:</b>  <b>24 July 2012</b>
